*The show is held annually the*  
*weekend following Labor Day.*

## Dealer Application

Our show is juried. We carefully consider each vendor based on the quality of their antique and vintage merchandise, the quality of their design and the mix of their products. Each vendor has a unique personality to offer the show and we want each vendor to succeed. Photos showing your merchandise are important. Not only does it help us select you but it also helps us find the best spot for you in the show.
