

It is HERE!

Our new digital interactive NGA Women's Gymnastics Technical Handbook with Table of Elements is finished and for sale in the Apple Book Store.

NGA, as a new organization, is continually growing and setting new frontiers in the gymnastics industry. Our promise is to always keep our costs to you in check, yet bring you top-level technical manuals, materials and more. Case in point:

- NGA is again, for another year, waiving the sanctioning fee for our Member Clubs
- NGA is maintaining free membership for all coaches belonging to a Member Club
- NGA is instilling a cost-effective Judges Certification (fully operational soon)
- NGA is offering top-level Technical Manuals, some free, some with a fee

We are grateful for your continued support of NGA and look forward to another great year!

Please find the NGA Women's Gymnastics Technical Handbook with Table of Elements at: <http://books.apple.com/us/book/id6443269696> price \$54.99 (4-year purchase). As changes are made to the Women's Technical Handbook, once downloaded, notifications of any updates will be automatically generated to your book. This will always keep you current on any changes/modifications/deletions, etc.
