Hi, Everyone

Well, the dog days of August are almost on us but that doesn't mean we don't have a lot going on. We start off with a big one. On August 4th, we'll have a visit from our Grand Worthy President, Chuck Webber and his wife. Let's all turn out and give them a warm welcome. Come in and share a meatloaf and baked potato dinner with them. You don't get to meet the Grand Worthy President every day of the week, so come welcome him.

Be sure to keep the 19th open for our annual picnic. This is always a fun day with lots of good food, good friends and good fun. It's always fun to watch the kids and the "haven't been kids for a while members" go down the water slide.

Try to stay cool and remember how we all griped about the cold. So come on in and enjoy the AC and have a dinner or Sunday breakfast with friends.

Don't forget to greet our new members and make them feel at home.

Hoping to see all of you soon.

WP Steve Broadhurst

Hello Sisters & Brothers,

This month I would like to be more serious than normal. Belonging to any fraternal organization means you are willing to help them with their goals. The Eagles stands for "People Helping People". Every year we have a dinner to present checks to the charities we have worked all year to raise money for.

In order to continue doing this we need your help. Everyone has something of value they can donate to the aerie. For cooking a meal we need a cook, server, cashier, dishwasher, and someone to help where needed. That's a minimum of 5 people. All of these people are volunteers, those are some of the things YOU can help us with.

Then we need people to eat our dinners. Another way you can help is to order ahead. We need to have an idea of how much food to buy and cook. We are not a restaurant, we cannot serve what is left over the next day. One simple phone call from you helps us to stop wasting money.

Please do anything you can to help our Aerie. Come to a planning meeting the first Wednesday of every month at 6:30.

On a lighter note. The annual picnic is the 19th. This is always a day filled with friends, food, & games. Fun for all ages. Please come and enjoy this with your Aerie brothers and sisters.

Hope to see you soon,

Madam President

Shirley Roney

Scarves for Veterans

Winter is coming and we want to make sure our veterans are kept warm. We are collecting knit or crocheted scarves that will be delivered to the Portland VA Hospital in December. Our goal is 250. We are hoping you can help.

The yarn needs to be in darker shades and washable. Scarves need to be approximately 8"-10" x 55"- 65". and turned in by November 1st. If you or anyone you know is willing to help us, it will be greatly appreciated!

Smile, the sun is shining, delight in the weather that signifies our Summer in Oregon. It won't be long, the daylight will grow shorter, and the nights will get cooler. Rejoice in the ability to enjoy outside activities. After all, it's August, the eighth month of the year, seems like we were just celebrating the New Year. And remember, we could be in Arizona.

To shift gears a little bit, I've been hearing a lot of good news about our Lodge and especially how we are getting New Members that are stepping up to help in many areas. This certainly puts an August Smile on my face. It's time for many of our very active members to pass the torch of responsibility, and take time to enjoy the Lodge, and watch the changes new blood brings. Make sure to support those giving their time and effort to make Aerie 4177 a place to have fun and of which to can be proud.

Making our Lodge a friendly inviting place is something for which we should all strive. It doesn't take much. I think of some of the passages from the "Station of Justice." I'll shorten them a little to fit them into this letter. Don't be afraid to admit to an error, it shows you have character when you can acknowledge your mistakes. Everyone has opinions, and another person's opinion is as worthy as is your own. Show a spirit of fairness in all that you do and towards your brothers and sisters at the Lodge. One of our resolution's states, "If I cannot speak well of an Eagle, I will not speak ill of him." None of us is without fault. Be sure to give as much as you expect. Pretty simple things to live by, and a great way to add to your own life's satisfaction, and it will certainly gain you the respect of others. It truly is as simple as it sounds.

It takes little effort to practice kindness. It takes little effort to offer a helping hand with the small things in life. It takes little effort to be the kind of friend you want others to be towards you.

As we move into the hottest part of our summer, be sure to stay hydrated, and check on those nearby that could use help or reminder to do the same. People helping people is what we're all about. It's not just words, but a way of life that gives us reward and purpose.

WEDNESDAY NIGHT DARTS

We have "Hot Shots" and "Not So Hot Shots". Beginners to Pros, the only requirement is you must know how to laugh. The one thing we all have in common is we like to have fun! Everyone is invited to play darts.

This August we are changing our dart playing to non-league and starting Fall League, September 6th.

This will allow some of our players to recover from surgeries. Or maybe take some vacation time and enjoy the summer.

A lot of us will show up on Wednesdays just for fun.

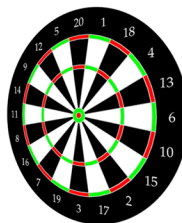

We can play games like we play in league or try new games on our new dart machines.

Hope you will join us.
