Hi, Everyone.

Well, February is here, so we can all forget about our New Year resolutions which we broke in about a week and start looking forward.

Keep in mind our Sweethearts Ball on the 10th. Come in for dinner and dancing and don't forget to vote for your favorite new Queen. This is always a fun evening especially when we have a great band.

There are some great dinners this month so keep an eye on the calendar. Hopefully the weather will be better and we can all get out more.

We can always use more people at the planning meeting on the first Wednesday of the month at 6:30. Come in and help us plan the next month. Remember that a Fraternity can only function because of its members.

Since February is the shortest month this letter should also be short so...

Hope to see all of you soon.

WP Steve Broadhurst

Brothers and Sisters,

February the month of love. On the 10th of this month is Sweethearts Ball. Who will be crowned Sweetheart this year? Come help her celebrate her big night. Don't forget to vote.

We have a full calendar of meals this month. Check it out. I'm sure you will be able to find a meal you like.

I'm sure most of us are looking forward to to warm feel of the sun on our skin. Why don't you think up a few interesting things the lodge might want to do. Then come to the planning meeting on the first Wednesday of the month. Bring up your idea and see if it's possible to get it on the calendar. Without your ideas and attendance it hard to know what you would see going on at your lodge. Each of the members has an idea please help us make it come true for you. I would love to see us do more but we need your help.

With all the cold weather we had in January, I would to ask a favor of everyone. This can be a very hard time for some of our friends. We may not even realize it. The aged, disabled, ill, and depressed could use a simple phone call to let them know someone out there cares. These people fight daily to continue. Please make a difference in someone life today and everyday.

Happy Valentine's

Shirley Roney

Cornelius Eagles Answered the Call

The Cornelius Eagles organizer, Carolyn Ellis and Peggy Aeh delivered four boxes and two bags of knitted and crocheted scarves for the VFW Auxiliary Hospital Annual Christmas Giving Program. They met their goal of 250 scarves this year! Thank you volunteers and those who contributed yarn for this worthy project.

The Worthy Contributor

Burrrrrr...Hopefully, everyone got through our cold snap safe, sound, and together. Our network of communication seemed to work well, and I personally appreciated everyone who reached out to us to make sure we were hunkered down and surviving the cold.

It's been several years since I've seen the low temperature, blowing dry snow, and eventually the dreaded ice with the potential disaster it can pose. Fortunately for many of us, our utilities are underground and less susceptible to freezing lines heavy with ice, falling branches and trees causing power outages and unbelievable damage. After praying for everyone, and especially

for those I could see in tragic situations, I found myself reading more to escape the boredom. A guy can only watch so much news, and all the shows showing the dysfunctional parts of our society. I got so bored I found solace in shoveling snow from the sidewalks, or maybe it was a secret message from God, "Get it done, my Son, before it's covered with ice and will wear your old behind out faster." Oh well, I've rambled on enough about "Snowmageddon, Snowpocalypse, and Snowzilla."

Onward and upward with the fun stuff coming this month, February. How many of you know that February is, "Spunky Old Broads Month," and February 1st is not only, "National Freedom Day, No Politics Day, but also Spunky Old Broads Day?" Before anyone gets all animated about referring to someone as a "Spunky Old Broad," you need to come to the Super Bowl Party (February 11th), or Thursday Night Bingo at the Lodge. Of course, there's many other important dates celebrated this month too. Just a couple, National Black History, and American Heart month. Oh, and the 2nd is Ground Hog Day. If Punxsutawney Phil sees his shadow, he's going to find out I have a great recipe for Ground Hog Tacos. Here's a link so you can checkout other important and crazy days in February. <https://www.holidayinsights.com/moreholidays/february.htm>

As we have our start to the year now in the books, it's important that we take time to assess how we can show caring and kindness towards each other. Two things to remember, reach out to help others, and accept help from others if you need. Bless you all, stay safe, and remember a smile and laughter is often the best medicine to cure a lot of things.
