Happy 4th of July!

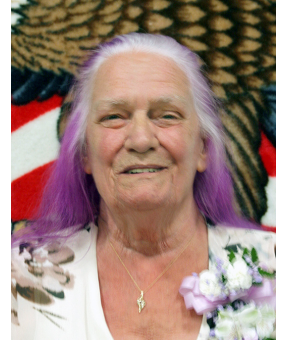

People Helping People

Happy Birthday  
America!

**Your Presidents  
2023 - 2024  
Steve Broadhurst ~ Shirley Roney**

Hi, Everyone

Well it's July already and Summer is here. So keep an eye on the events coming up here at the 4177.

I know this is a recurring theme in my letters but we all need to remember that none of these events would happen if we didn't have volunteers. Everyone who is able is needed. If all of us pitch in it makes it easier for everyone and it really can be fun.

I hope everyone has a great 4th of July. It's going to be a safe and sane one because you just can't find the good explosives you could get when we were kids. So we will probably keep all our fingers. Safe but not as much fun.

Hoping to see all of you soon.

WP Steve Broadhurst

Hello Sisters and Brothers,

Another month gone by. I don't know about you but to me 2023 is on a race to end.

Installation was nice for everyone. I hope you came by to show your support for the newly installed officers.

Now it's the 4th of July. A holiday for family, picnics, and fireworks. Please enjoy it with all the safety measures in place.

We have a busy calendar for July. Make sure you check out. A dinner or two. Our volunteer cooks are great.

Happy 4th & stay safe,

Madam President

Shirley Roney

# The Worthy Contributor

Grab someone you care about and give them a big hug, and then whisper in their ear, “Man, it’s great to be an American!”

It sure seems like we are at full-tilt boogie and will finally have a chance to celebrate the birth of our Nation in the more traditional ways we’re use to from years past. Food, fireworks, fun, family, friends, parties, and picnics, it makes me think of the old Rock ‘n Roll song from 1965, by the Sunrays, “I Live for the Sun.”

Go! Sun sun sun sun Sun sun sun sun I live for the sun (sun sun sun sun) Because it makes fun (fun)... <https://www.youtube.com/watch?v=hflx1fOZ9gg>

Remember how fortunate we are to live in the freedom of the greatest Nation on the planet. Couple our celebration with smiles in the sunshine, instill in others heart-warming friendship, and let God fill your heart with the joy of being one of his loving children willing to help others in his name. Ask others to join you, make new friends, or confirm friendships of old. Ask yourself, “Am I the person I want people to believe I am?” Hopefully, by the actions of others towards you, the answer will be affirmed.

A positive attitude and happiness are great medicines and goes a long way to curing the “blahs and blues” many of us may suffer from being indoors over the last months. Practice being the cure instead of the infection.

Now, we must address a more serious question about July. The second week of July is “Nude Recreation Week.” Before participating, please check the Lodge “House Rules” for dress codes and rule appliance.

Laugh at the last paragraph, it’s a joke. So, sing like no one is listening, and dance like no one is watching, and enjoy another fun month at the Cornelius Eagles 4177, after all, we’re just practicing, “People helping people.”
