New Officer Pictures Will Be Taken Saturday, June 3rd, Officer Installation Day
Come Early

Hi, Everyone

It's June, which means a new year for the Eagles. Let's make it a great one. If we all remember the oath we swore when we became Eagles and do our best to keep it, this fraternity will be hard to stop.

We also need to remember that we are a fraternity. We exist because of volunteers and because of members supporting our functions and meals. Keep in mind all the meals are made by volunteers. Almost everything that gets done is because of volunteers.

So, get involved. It's fun, rewarding, and we will cease to exist without members being involved. We have some great people and together we can do great things.

SATURDAY JUNE 3RD, 2023

Hello Sisters and Brothers,

Hi, my name is Shirley Roney. I'm your elected Madam President for the next year. I have been a member of this lodge since 2000.

Over the years I have been here for many events. The burning of the mortgage, the crowning of many Queens, Memorial Day services and more. Although to this point my proudest moment was becoming your Madam President.

I love helping people and through The Eagles I can help so many more people. My Charity is CBAP Community Based Activity Program. It is based here in Forest Grove.

One of their programs is summer activities for special needs children. I was involved with this program for 6 years as a school bus driver. We took these kiddos to school every day in the summer to do lots of arts and crafts, and we also took them on special outings.

I hope to get more members to volunteer and/or attend activities and meeting. You don't know the fun you can have until you join in.

Hope to see you soon,

Shirley Roney
Madam President

The Worthy Contributor

This is a fun and exciting time at the Eagles Lodge 4177, we have the upcoming installation of our new Officers. We have members that have stepped up and committed to positions, it's our responsibility to give them support to make them successful, after all, we have a reputation and tradition to uphold within the F.O.E., and the Community. The motto of "People Helping People," means inside the Lodge as well as in the Community.

Ric Hedlund will be taking the Chaplain's Chair in the coming year. Oh, but you don't get rid of me that easy., Ric asked me if I would help him by continuing to write the Chaplain's Letter, so

I will, how could I turn him down when I preach involvement and making contributions where you can. "If you're gonna talk the talk, you'd better walk the walk."

As I think about all that has gone on in my life in the last few years, talked with others about happenings in theirs, and think about the difficult times at the Lodge, all which were out of our control, I'm amazed at how strong we have been. Maybe it comes down to that old saying, "God never gives us more than we can handle," but he sure has a way of testing us sometimes. Fortunately, through all the trials and turmoil, it seems we are coming back to center.

Living my teenage and young adult years in the 60's and 70's, many of you know I like Classic Oldies; Beach Boys, Rolling Stones, Bob Dylan, Steppenwolf, Credence Clearwater Revival, Temptations, and the list goes on. Often, I'll play music to take me back to what seems like a simpler time, mostly just for the memories, I try not to dwell there, it's the past, a part of what made me who I am today. We've all been asked, "If you could go back, what would you change?" Well, not a damn thing. Think about it, if I did, it would change everything as I know it today, all my family, all my friends, I wouldn't even have the experiences I had with my buddies or dogs I've known. It would make me a different person than I am today. This was brought home to me while listening to a sermon from Pastor Rich Jones, Calvary Chapel Worship Center, Hillsboro, Oregon. Pastor Rich was talking with a person in distress, the person said, "I just want my life back." Pastor wasn't sure how to answer, and then with the help of divine intervention the words came from his mouth in response, "*You don't get your life back; you get your life going forward.*" Think about how profound that statement, how meaningful it is.

Oregon
Fallen Badge
Foundation

To our friends with Cornelius Eagles:

Thank you doesn't begin to scratch the surface of how we feel. Your generous donation to the Oregon Fallen Badge Foundation is unexpected and deeply appreciated. We are humbled by this loving gesture.

Oregon Fallen Badge Foundation is there for any department or community in our state needing our help in the aftermath of a line-of-duty death. However, though we will certainly be there for the larger departments and communities in our state, it's the smaller ones, like Nyssa, which are why we exist. And it's heartwarming to us an organization like yours in another of the smaller communities in our state would see fit to make such a generous donation.

We also are so grateful for the funds you raised for the Johnson family. They need all the support and love they can get right now, and it is such an amazing testament to the quality of people in your organization that you would work so hard to raise money for a family you've never met, clear on the other side of the state.

Over the years, the support of the Cornelius Eagles to the law enforcement community has been incredible, and this year was no different. You saw a grieving family in need, and you did your part. In a world with so much darkness, I thank God there are people like you who remind us there is still so much light.

Thank you,
Eric Bunday
