June 2024

Your Presidents 2024 - 2025

Steve Broadhurst ~ Peggy Aeh

Hi, Everyone,

Well, it's June and the start of a new year for the Eagles. Start it off right by coming in on June 1st at 2pm and support our officers that are being installed for the coming year.

We need officers to run the Aerie but we need members to come to the meetings and provide the input needed to make the best decisions. If you want a say in what is going on, you have to come in and voice your opinions.

We have new members being initiated all the time so when you see someone you don't know be sure to say hi and make them feel welcome. We are a Fraternity and each of us should do our best to make everyone feel at home.

The start of a new year means that we are starting over on raising money for our charity's. We gave out checks to some wonderful causes at our charity dinner and now we need to start building up those funds. The only way to do this is when volunteers step up to do a function. Remember that the more people that help, the more we can help those who need it. That is what we are all about.

Hope to see all of you soon.

WP Steve Broadhurst

Karaoke Nights at the Aerie

Join the Fun Every Saturday

Exciting news for all music lovers and members of the Aerie! Larry Shipman and Chris Day have teamed up to bring the joy of karaoke to our community. Starting soon, we are thrilled to announce that karaoke will be held every Saturday night from 7 PM to 10 PM, unless there is an event scheduled. This initiative aims to provide consistency and a regular gathering spot for members to enjoy music, sing their favorite tunes, and have a blast.

Why Every Saturday? We believe that having a set schedule will help our members plan their weekends better and give them something fun to look forward to. Consistency is key, and by hosting karaoke every Saturday, we aim to build a strong and vibrant community where everyone feels welcome and excited to participate.

Open Invitation to All Members. We warmly invite all our members to come and be a part of our karaoke nights. It's a fantastic opportunity to meet fellow members, showcase your singing talents, or simply enjoy a night of music and camaraderie. Even if you're not a singer, your presence will add to the lively atmosphere, making it a night to remember for everyone. Mark your calendars and get ready to sing your heart out every Saturday night at the Aerie, unless there's an event scheduled. We can't wait to see you there and share in the joy of music together.

The Worthy Contributor

Well, all you lovely people, it's that time of year where we have puppies, kittens, calves, colts, chicks, fresh strawberries, and of course, a new slate of Officers to guide our Aerie and Auxiliary. Enjoy all that this June brings, and especially help and support our members that have stepped up to take positions to promote and guide the success of our Lodge.

Remember a few things as we move things along. First, keep it positive, we can achieve just about anything if we work together. It's more important to do it, don't worry about the recognition. Do it from the goodness of your heart, and share the recognition if it's given, most all we do takes more than one person. Share

ideas, and be willing to listen to others, no one person in the room is as smart as we all are collectively. Get involved, pick something you like, or are interested in, and help or volunteer to head up the project.

I can't remember who told me for the first time, but I know I've heard it more than once, "The only failure is by those afraid to fail and do nothing, not even try." New ideas, and new approaches should always be welcomed. Hopefully, you won't be the person saying, "We can't, or that won't work, and we tried that before." Help those members try something with new ideas, new approaches, or willing to put the effort into something to make it successful.

The rest of this letter I would like to dedicate to you. Over the years that I have written the Chaplain's Letter, or as Marilyn now calls them, "The Worthy Contributor Letter," I have always considered it a labor of love. Through all the positive feedback from you, I have found the words to put "pen to paper" so to say. Oh, believe me, there have been plenty of times I have sat and stared at a blank piece of paper wondering what the heck to write. As I would sit back, suddenly, ding, an idea, and then it was time to apply it to the page in some reasonable fashion to have meaning. Sometimes things just went together, and sometimes it was a struggle, but I just wanted it to be enjoyable, mostly positive, and hopefully something that would inspire you to read it. I appreciate all the comments I have received. In the coming year, I'm not sure what the situation will be, there will be a new Chaplain, and it's only fair to give way and give them the space if they choose. If they want me to continue as the "Worthy Contributor," then that will be how I can help.

Remember our motto, "People helping people."
