Fraternal Order of Eagles - Aerie #4177 - Cornelius, Oregon March 2024

Your Presidents 2023 - 2024 Steve Broadhurst ~ Shirley Roney

Hi, Everyone.

March is here already and hopefully Spring weather will arrive with it. We can start getting out more and what better place to go than the 4177? There are some great things going on so don't miss out.

We had a great turnout for the Sweethearts ball and Superbowl, it was so great to see the place full of people having fun. This is what we need to finish getting back on track after Covid.

We have some great things going on this month too including a corn beef and cabbage dinner for St. Paddy's day followed by dancing with Bootleg Ridge, let's fill the place again.

Keep an eye on the calendar so you don't miss any events or your favorite meal and come in for the planning meeting and bring up any ideas for a function.

Hope to see all of you soon.

WP Steve Broadhurst

Sisters and Brothers,

Be on the lookout for the Easter Bunny. I've been told he is out looking for places to hide his eggs. The Easter Bunny will be at the lodge for a party with the kids on March 30 at noon. Let's see if we can give the Easter Bunny a grand welcome to our lodge.

It looks like we have meals set for all Friday and Saturday nights this month. Everything from a Potato Bar to Chicken Stuffed Shells. And don't forget the Corned Beef and Cabbage on March 16th for St. Patty's Day. I should also mention our fabulous Sunday morning breakfast. Breakfast menu's depend upon the cook. Each has their favorite thing to cook. It could be a breakfast burrito with everything (it's big), a nice breakfast skillet, on both of these you can choose what is in it. Or maybe you would prefer the steak and eggs.

Looking ahead mark your calendar April 5th, 6th, and 7th is our annual Spring Bazaar. It's always fun.

The sun is starting to return. Let's get out and enjoy it. The sun is always good for making people happy.

See you at the lodge,

Shirley Roney Madam President

The Worthy Contributor

The Lion and Lamb Month is at our doorstep. Certainly, this is one of the greatest times in our great state of Oregon. We will see the changing of the seasons, although as Oregonians we'll be allowed to complain about the rain and unpredictable weather famously known to happen in March. March can be a confusing month too. I'm not sure if my daffodils and rhubarb sprouting early from the ground is more confused than me as I talk to them, "Don't you guys know it's still cold out, or do you know something I don't." Then as I walk away, I swear I hear some laughter behind my back, but they'll never admit to it.

This is the month that for at least one day everyone is Irish as we celebrate St. Patrick's Day. Mmm, and there's surely a fine Corned Beef, Cabbage, Potato, and Carrot dinner to look forward to at the Lodge.

Remember that March 1st is Employee Appreciation Day, do what you want, but we have a couple of employees that deserve at least a noticeable "Thank You," if not more.

One of the most important events this month is Women's History Month. Naturally, my nimble fingers dance across the keys of my computer so I can review women of fame, so I have a good reminder of their contributions. I find those like, Madame Curie, first woman to be awarded the Nobel Peace Prize (1903) and the first person to be awarded the Nobel Peace Prize twice, receiving it again in 1911. I also found there, Mother Teresa, one of the world's greatest humanitarians and known for dedicating her life to charity work. She was awarded the Nobel Peace Prize in 1979, and after her death was canonized as Saint Teresa.

I look up other women of fame, and of course what comes up are mostly actresses, singers, and sports stars. Not to take away from their accomplishments, I question if they'll stand the test of time. Then I think, the women that aren't famous, and will never have their accomplishments recognized are important too, and we need to recognize them. My recognition goes to the women of the Cornelius Eagles. Without our Auxiliary we couldn't run the place or be successful. I think I can speak for all the men of the Aerie 4177 when I say to the Auxiliary, "For all you do, and granting we don't say it enough, Thank You."
