Your Presidents
2023 - 2024
Steve Broadhurst ~ Shirley Roney

Hi, Everyone,

May is here and I was right in my last letter, the dandelions are here and doing very well in our yard.

Thankfully there is a lot going on in May to take my mind off them. Starting on May 1st there is our planning meeting at 6:30. Come down and see how the month is planned out and help with new ideas.

May 12th is our Mother's Day breakfast which is always well attended so come in, have breakfast and visit with friends you may not have seen for a while.

Monday the 13th there will be voting for Worthy President and Trustees so don't forget to come down and help pick your officers for the next year.

Sunday the 26th is our memorial service starting at 2:00. Come and remember our brothers and sisters who have passed in the last year.

Keep an eye on the big board so you don't miss anything and as always,

Hope to see all of you soon.

WP Steve Broadhurst

Sisters and Brothers,

May flowers. That's one of my favorite parts of the year. All the beautiful colors and smells. This is one thing I have in common with the women in my family. My mother was a floral designer that went on to be an award winning China painter of roses. My grandmother had half of her front yard as an amazing rose garden.

May 12th is Mother's Day. Our Brothers will be cooking us breakfast. This day has always been a lot of fun. Come join us for this special tradition.

My reign as Madam President will end this month. I would like to thank every woman in the auxiliary for helping me to have a great year. I'm looking forward to all the amazing things we will continue to do. I do believe that together we can do anything.

I will still be around the lodge and my number can be found in the newsletter. If you would like or need my help, please feel free to contact me. If you don't ask me, I can't help.

Thank you for an awesome year.

Shirley Roney

The Worthy Contributor

Looks like we hit it lucky this year and dodged severe weather in our area. Oh, we had a couple of days that were dicey, but overall, we had it tame. Now, we burst into May, and all its majesty of Spring getting us ready for transitioning us to Summer. The anticipation of what is to come has us talking, planning, and smiling.

May is the month with many dates to remember. Mother's Day, we should all remember the woman that chose to give us life, and then nurture us. Often making a great commitment and sacrifice in her own life. That's called love.

Also celebrated or remembered in the month of May are days dedicated to the Military, First Responders, and those that supported them.

Check this list: Loyalty Day, National Day of Prayer, Space Day, National Nurses Day, National Teacher's Day, V-E Day, Military Spouses Day, Mother's Day, Police Officer's Memorial Day, Armed Forces Day, National Maritime Day, Memorial Day, Amnesty International Day.

Memorial Day is an American holiday honoring the men and women who died while serving in the U.S. military. Obviously, it means a lot to many of us, especially those of us that served. We made it back, some of our friends didn't, and never had the chance to live the life, or have the family, and friends we enjoy. I'm very proud of the Flag, our symbol of the strength and freedom, we display proudly in our Social Room. I also know some of you have seen our "Missing Man" table and aren't sure what it means. In a shortened explanation, it's "in honor of fallen, missing, or imprisoned military service members." Although, many of our Vet members live Memorial Day every day, I hope the rest of you will take a few minutes to reflect on life in the United States of America because of those that stepped up and made the ultimate sacrifice so we can have freedom and way of life we enjoy today.

Remember our motto, "People Helping People," and that we are all part of something bigger than ourselves.
