Hi, Everyone

Well, fall is here and it's time to start thinking about the Halloween party and what you want for a costume. We will have a band and a contest for the best costume so start planning for a great time.

Fall Northwest district just ended. Portland 4 did a great job. We had enough members attend to bring home the traveling trophy. Spring district is in April so start thinking about making it to Salem so we can keep the trophy. District (and State) are great ways to meet some brothers and sisters from all over the state and beyond. Attending gives you a better feeling for what being an Eagle is all about plus it's a lot of fun.

Back here at home, don't forget we can always use volunteers. Try to make it to the planning meeting which is on the first Wednesday of the month. You don't have to volunteer but you can see how we set up the dinners and events.

Remember to say hi to our new members and help make them feel at home.

Hope to see all of you soon.

WP Steve Broadhurst

Hello Brothers and Sisters,

October brings us to the change of weather. And so much more. We now start looking ahead to all the end of year holidays.

First let's look at events in October. On the 7th we will have a meeting of women who like to help with "Scarfs for Vets". Every year the VFW asks for our help in providing scarfs or hats for veterans in need. Carolyn Ellis has the measurements they are asking for. If you can help in making them or donate supplies please attend this meeting.

Our annual bazaar will be the 21st & 22nd. Here you will find a number of great Christmas gifts to get an early start. They have everything from bibs to blankets. The handmade jewelry is amazing. And the scents are wonderful.

The Kids Halloween Party is on the 28th. There will be arts and crafts. And as always candy for all. Following the kids party that night will be the Adult Halloween Party with live music. Halloween fun for everyone.

Check the calendar for more events and information. If you see a date that says Need a Cook you might think about talking to Diane and helping out.

See you at the lodge,

Shirley Roney

The Worthy Contributor

October, a time for changing weather, the last of the harvest, making sausage and brewing beer. The wind and the rain will take the final leaves to the ground to be raked into piles or cleaned from the roof and gutters, and there will be the smell of smoke in the air from smoldering leaf piles, wood burning for heat or to take care of slash piles. The Hunters will take to the woods, and the Crafters will prepare their artistic creations for coming bazaars. Family and friends will be looking forward to and planning for holidays in the coming months. Football schedules are in full swing with fans hoping for a successful season. October is a big month for transition, and beautiful too with all its personality on display.

As we move inside many of you will be seeing new faces, be sure to introduce yourself and welcome our new members to the family. Just as October is a big month for transition, the same is true for our Lodge. Many of our “more mature” members have had to step back from much of their volunteering due to health, or simply not being able to carry the load any longer. It is a good time for others to get involved and pick up the slack. Pick something you would like to do, or an idea you would like to promote, and then get involved. My suggestion is to get involved, but don’t bury yourself in responsibility for too many things, pick one or two and develop them to their fullest. Maybe you would like to see if they need help with Bingo on Thursday, perhaps it’s a special meal you can volunteer to prepare for Friday or Saturday, or an event idea you’d like to see take place that would be fun for our members. Like Nike used to say, “Just do it.” The more people get involve the more everyone will enjoy the healthy and welcoming atmosphere we promote at the 4177 Lodge.

October also contains important and fun things. It is the month designated as Breast Cancer Awareness Month, nothing fool ourselves into thinking, “it’s nothing,” or be ignored by women or men. Also, it is Domestic Violence Awareness month, see something, say something. Adopt a Shelter Dog Month, if you need some company, they need a home and someone to love. For those of us that enjoy food, October is National Pizza, Seafood, and Cookie Month, yum.

Well, it’s time for me to close this letter out, and as always, remember our motto, “People helping people.” Have fun, dance like no one is watching, sing like no one is listening, and remember to laugh at yourself, it makes you fun to be around.
