Fraternal Order of Eagles - Aerie #4177 - Cornelius, Oregon  
September 2023

*Welcome*

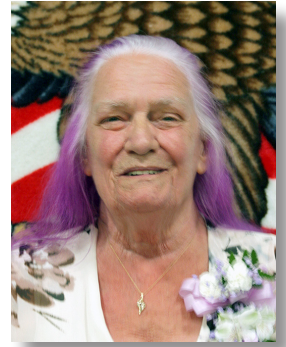

*September!*

Your Presidents  
2023 - 2024  
**Steve Broadhurst ~ Shirley Roney**

Hi, Everyone:

Let me start off with a thank you to the trustees for spending a very warm day behind a BBQ so the rest of us could enjoy a nice annual picnic. The kids seemed to have a very good time on the water slide. The day was made much nicer when Yvonne Alton stopped by. It is so good to see her out and about.

We are a fraternal order and we operate with volunteers, we have a planning meeting the first Wednesday of the month and we need people to come and contribute. Stop in and help us organize the month. You can also sit in and see how we set things up. Remember, nothing happens here without volunteers.

We are initiating new brothers and sisters almost every week. Don't forget to look around and make them feel welcome and at home when you see a new face.

Hope to see all of you soon.

WP Steve Broadhurst

Hi Brothers and Sisters,

The picnic was enjoyed by everyone. I think the adults had more fun on the slide than the kids as always. Only trouble is the adults feel it for a week. Hope you had a good time.

This month we have NW District Meeting at Eagle's Portland 4. It's the 15th thru the 17th. These meetings can be a lot of fun and you can learn a lot about the Eagles. One of the best things is you can meet new and amazing people.

Pave, the Women trustees charity, is going to have the outside area full of things happening. Pave trains dogs as aid animals to Veterans suffering from PTSD. There will be trainers, veterinarians, and many other people that you can learn more from about helping our local veterans. Watch for this event in the next couple months. I really hope a lot of you will check this out.

Thank you to everyone who got the CBAP t-shirts in support of my charity. I still have a few if anyone is interested. And a special thanks to Kendra Hansen for tie dying them.

Hope to see you at the lodge,

Shirley Roney  
Madam President

Fall is in the air, daylight grows shorter, and nighttime longer. Time for harvesting will soon come to an end, all the hard work of earlier will show in bounty stored away for the coming Winter. We'll retire to the protection of our dens or don our Fall or Winter coats when we venture out. Life will slow down to a sustainable pace with fewer outdoor activities will be happening in the local community.

Growing up in Washington County, the end of Summer and beginning of Fall can be an exciting time. We'll see fields being plowed where weeks before crops were at maturity. There'll be hustle and bustle as students prepare for another school year. Hunters and fishermen will be checking their equipment for those fall trips to their favorite spot to score some birds, big game, or fish. The artistic people will be preparing their wares for coming bazaars. Sports will be in full swing, the push for the Major League Baseball and NASCAR playoff spots, and the start of High School and College Football, Cross Country, and Soccer.

All will be right with the World as we wind down and move inside to enjoy friendships and family. It will be a great time to share meals, talk about summer adventures, growing kids, weather, and things to come. As always, it will be important for all of us to reach out to those that may need our help or just someone's friendly company. It takes little effort to get someone to a Lodge dinner, bingo, or other functions. Helping, it's what we're all about.

This Fall should be interesting, especially with all our new members that are taking active roles in the functions at the Lodge. New blood, new enthusiasm, new ideas and approaches to running things. It will be up to us to support our Lodge and those willing to step up and make it a place for everyone to enjoy.

The Cornelius Aerie 4177 is an Aerie of which to be proud. Through our diverse backgrounds and opinions, we still remember we're Americans and pull together, especially in times of crisis. This month, September, we will again remember the fateful day, Tuesday, September 11, 2001, and all those lost in the horrible event of a Terrorist Attack. It will be a time to reflect and pray, and then lift our heads and feel the peace of pulling together and being grateful for our freedom and those willing to defend it at all costs.
