

Sowers Middle School

Home of the Vikings
Huntington Beach City School District

Dear Parents/Guardians and Students:

Sowers Middle School is very fortunate to have a thriving electives program that includes opportunities for our students to explore interests in visual/performing arts, home economics, marine biology, leadership, science / technology / engineering, and Spanish. These elective programs continue to be successful in part due to the generous donations received from our community in combination with school district funding and other school community organizations. As such, each year we request your assistance via voluntary donations that go directly to support the curriculum, materials, and learning experiences created in these vital programs. Please note that all students, regardless of ability to donate, are able to participate in these programs.

Your child is currently enrolled in **Mixed Show Choir**; the suggested donations for this class are listed below in parentheses.

- Music Program T-Shirt (\$15)
- Competition / Festival Entrance Fees (\$20)
- General music program enhancements: Instructional specialists, music instruments, equipment, transportation, performance venues, and program operations (\$75/family)
- *Note: Does not include field trip(s) in the spring (such as Disneyland/CA Adventure and/or Knott's)*

Sowers Middle School is pleased to partner with the Sowers Music Parents Association (SMPA) as they provide an immense amount of hard work, energy, and support for our music students. This non-profit provides program enhancements that enable our students to have a phenomenal music experience. If you are interested in making a donation to support your child's class, please complete the backside of this letter and turn in your student's teacher along with your donation.

Thank you, in advance, for your consideration and continued support of Sowers Middle School.
Go Vikings!

**Please note that donating to Sowers Middle is a strictly voluntary opportunity as all students have access to these programs regardless of ability or willingness to donate. Being a sponsor should not be construed to have any bearing whatsoever on any current or future business with the Huntington Beach City School District.
