

SMF Vendor Information to Remember!!

General Notes: The Spring Mountain Festival (SMF) is not an exclusive Festival with regards to Vendors. There will be multiple vendors selling similar and like products. The SMF Staff will endeavor to spread these similar vendors out within the vendor assignments. Vendors are expected to cooperate with the SMF Staff/Coordinator and other Vendors for a smooth set up and breakdown.

Booth Space:

Craft Vendor Space is 10' Road Frontage by 15' Deep and multiple spaces are available. Your sales area, tent, booth or trailer must fit inside the 10' road frontage by 15' depth. If you have a trailer that serves out of the side, and you want to face the road, you must rent enough spaces to fully contain your trailer, sales area. No exceptions will be made. If you want more than 10' of sales frontage, then you must rent adequate spaces to achieve that length. No exceptions will be made. In the Field Area your sales area must fit inside the 15' x 15' allocated space. You can sell out of all 4 sides.

Food Vendor Space - Your sales area, tent, booth or trailer must fit inside the 10' road frontage by 20+' depth. If you have a trailer that serves out of the side, and you want to face the road, you must rent enough spaces to fully contain your trailer or sales area. No exceptions will be made.

1. Booths must be identified with a professional-looking sign displaying the vendor's name and product(s) being sold. ***Menus with item prices shall be posted for Public View.***
2. The Festival Vendor Coordinator will make all the booth/space assignments in advance. Assigned spaces will be clearly identified before the start of the festival. No booths or displays will obstruct a fire hydrant or free space provided around such hydrants.
3. All vendors are responsible for keeping the area around their booths clean throughout the festival. Any trash accumulated throughout the day should be disposed of by the vendor in any of the various trash cans available throughout the park.
4. Food vendors are required, by the Grant County Health department, to provide covered trashcans located at the front of their booths. You are also responsible for keeping the can liners changed as needed. Someone will be around to pick up full trash bags that have been removed from cans and tied up. Do not let trash cans overflow at your food space. Vendors shall provide trash can liners.

Vendors are responsible for:

- a. Providing safe and secure booth structures and equipment, e.g., tables, chairs, displays, etc.
 - b. Adequate weather protection and overnight security for their products.
 - c. Loading and unloading products and equipment.
 - d. Complying with health department regulations.
 - e. Abiding by festival rules.
5. Use of open fires must be approved by the Vendor Coordinator and all ashes and debris from the fire must be removed from the park by the vendor.

Vehicles:

1. *Vehicles ARE ALLOWED in the festival area before the festival begins and after closing to facilitate loading and unloading.*
2. *Vehicle traffic in the festival area during festival hours will be discouraged. Exceptions will be made for entertainers, festival staff, and vendors with special circumstances (which must be pre-arranged with the Vendor Coordinator). Vendors who need to drive into or around town during festival hours MUST ensure their vehicle is parked outside the boundaries of the park before the festival begins.*
3. *Selling from vehicles is forbidden.*
4. *Overnight parking of vehicles or trailers within the boundaries of the park will be permitted ONLY with prior arrangements through the Vendor Coordinator. Passes must be displayed in vehicle at all times during the festival.*

Setup Time:

1. *Vendors set up and replenishment times are as follows:
Friday 9-1130 AM
Saturday 8-930 AM
Sunday 7:30 – 8:30 AM*
2. *Festival Open times are as follows:
Friday 12-10PM
Saturday 10-9 PM
Sunday Festival open 9-4PM and 10 AM Church*
3. *Food vendors with trailers MUST make arrangements with Festival Coordinator prior to setup.*
4. *Non-food vendors arriving on Friday must be set up no later than 11:30 am and plan to keep their displays open until Sunset.*
5. *All vendors are expected to man their booths during Festival Open times until sunset or 4PM on Sunday. Special arrangements may be made in advance with the Vendor Coordinator.*
6. *Any vendor who closes early on a given day or shuts down completely during festival hours may not be invited back and will have to carry their products out of the festival grounds, as vehicles will not be permitted in the festival area for this purpose.*
7. *All booths/trailers must be closed down and removed from the Park by 7:00pm on Sunday night, unless advance permission is given by the Vendor Coordinator.*
