
Association of Minority Healthcare Professionals

Welcome to the Association of Minority Healthcare Professionals April, 2025 newsletter!

As we continue on our mission of growth and empowerment through mentorship, we have undertaken several initiatives aimed at enhancing our associations' members capabilities and fostering a culture of continuous improvement.

One of our primary focuses is on coaching and mentoring, which serves as a cornerstone for developing leadership skills and nurturing talent within our workforce.

By pairing experienced leaders with emerging professionals, we aim to cultivate an environment that promotes knowledge sharing, skill enhancement, and personal growth. This initiative not only improves individual performance, but connects our members with professionals in the field and facilitates career advancement.

Organization Members

A Mother's Touch, LLC

Providing:

Building Future Leaders

In addition to mentorship, we are proud to announce course offerings for **certification in Lean Six Sigma and Change Management**.

We believe that knowledge sharing and peer support are critical components of personal and professional growth. By engaging in these initiatives, our members can expand their networks, gain diverse perspectives, and leverage collective expertise to drive impactful results. Moreover, we are committed to creating an inclusive environment where every member feels valued and empowered to contribute. .

Ultimately, our focus on learning and development is not just about enhancing individual competencies; it is about building a strong, cohesive community of future leaders who are prepared to navigate change and lead with confidence.

Certification Courses Offered:

Healthcare Lean Six Sigma Green Belt
Healthcare Lean Six Sigma Black Belt
Healthcare Change Management

Join us in transforming the landscape of community and fostering a culture of collaboration and growth. Together, we can create an environment where every individual has access to the resources they need to thrive—where experienced mentors illuminate the path forward and provide the encouragement necessary to overcome challenges. By pooling our knowledge and resources, we can empower members to pursue their passions and unlock their full potential.

Dr. Kay

Jerlena Saxton

Member Spotlight

Jerlena R. Saxton is a committed student at ECPI/MCI University in Virginia Beach, where she is currently studying Health Informatics. She holds two bachelor's degrees in Healthcare Administration and Business Administration, with a specialization in Logistics. This educational background has provided her with a versatile skill set that integrates healthcare and business, enabling her to tackle challenges with a comprehensive approach. Jerlena is enthusiastic about utilizing technology to enhance healthcare outcomes and is convinced that effective health informatics can significantly improve patient care and optimize healthcare operations.

Additionally, she is a proud veteran of the United States Navy, having served for 13 years. Her military background has fostered a strong sense of discipline, leadership, and teamwork, which she applies to her academic and professional pursuits. Jerlena is also dedicated to her community, actively volunteering at local health camps, and values spending quality time with her family, ensuring that every moment is meaningful.
