Course Map

(Larger version available on the [race web page](#))

Course Description

- The course starts with a full anti-clockwise loop of the main field ('The Meadow') before a switchback either side of the 1 mile markers.
- It's then out towards and along the park shoreline, crossing a short boardwalk to head back inland along the edge of the Viaduct Wood. A left turn leads to a trail in Viaduct Wood, initially via a short sharp climb (watch for tree roots) then a gentle downhill through to Porthkerry Viaduct.
- Two arches of the viaduct form a 180 degree turn back out onto and across the former mini golf course (now being reclaimed) before crossing a boardwalk (carefully, please) and back into the Meadow - just before the 2 mile markers.
- After the Meadow, it's a single file pass under the railway bridge (watch for runners coming the opposite way) and across the main park road - **runners must keep to the left and obey race marshals' instructions at all times in this area.** It's then into Cwm Barri before a climb (quite steep and potentially muddy) up through Mill Wood into the (much flatter) 4 Fields area, levelling off just before the 3 mile markers.
- The course loops around the 4 Fields area on fast grass tracks (narrow in two places), leading via two kissing gates into the top of Cwm Barri. This is a fast, downhill section on a firm stone track (4 mile markers about half way down), levelling out as it approaches the road crossing. It's single file running again to cross the road (**runners must keep left and follow race marshals' instructions at all times in this area**) and to pass under the railway bridge into the Meadow.
- Re-entering the Meadow for the last half-mile, runners will then pass 800m, 400m and 200m count-down markers to help pace that sprint finish!

Traffic Hazards

- Runners cross one of the park roads at the same place in both outward and return directions.
- **Runners must keep to the left and obey race marshals' instructions at all times as they cross the road.**
 - Runners who ignore marshals' directions may be disqualified.

Water and fruit

- Bottled water and bananas will be available just after the finish line to all finishers.
- Bottles and fruit will be laid out on tables for self-service collection (one item each, please).

Refreshments

- Café Marco and Zoom-eze in the Park will be open before and after the race, serving food and refreshments. Both are located close to the main car park.

Other Facilities

- There are no changing or bag drop facilities. **Please do not ask to leave bags at race HQ (Forest Lodge) or in our club tent.**

Other Park Users

- Runners are asked to note that the park will be open as normal at the time of the race and will be in use by other members of the public. Please show due consideration for other park users whilst attending the park and participating in the race itself.

- Course marshals will be briefed to warn runners and park users of each others' presence during the race and to ensure each others' safety.

Footwear Choice
