Description:

The warm up run proceeds from Cogan through the Marina to the start of the barrage.

At the start of the session the run leader sets the group off on a 20 second sprint and then allows recovery back to the start point.

All runners should aim to run at 90% performance level. The run leader should repeat the 20 second sprint, 3 times.

The run leader moves on to 3 x 30 seconds, 3 x 40 seconds. Then as runners tire the leader reverses time and distance completing 3 x 30 and then 3 x 20 seconds. If time permits a final session of 3 x 20 seconds can be completed.

The run leader brings everyone back to the Leisure Centre on a warm down run and directs static stretches at the end.
