

At Bloom Rooms we offer carefully designed, fully equipped spaces tailored to meet your needs.

The rooms have their own warm and inviting colour scheme and have each been carefully designed and furnished with the needs of counsellors' and clients' in mind. Each room has a variety of counselling tools to assist the counsellor with the growth of their clients. These tools include;

- Magnetic blackboard coffee tables for interactive work.
- Comfortable counselling chairs and 3 seater sofas. This allows space and comfort for couples and family work.
- Fidget toys which get regularly updated.
- Buttons, stones, and other tools.
- Laminated assessment forms (core 10/Gad 7/ PHQ 9) ordered and in reach for easy access. The forms are laminated so that information can be recorded after the session and then all confidential information can be wiped clean.
- Pre printed safety plans and risk assessments.
- Stationary, a variety of paper, and tissues will be provided and replenished when needed.
- Coat pegs in the rooms.
- Bookable access to zoom (nominal charge)
- High speed internet.
- Reception and waiting area open during office hours.
- Central location with easy access to public transport and parking.
- Disabled access.
- Advertisement of services through our webpage.

Your Practice, Your Space.

Start providing exceptional care in a space that supports your professional goals.
