The event will be the same as in past years, with great golf, food, prizes and networking. In past years NADCA chapter 3 has been able to raise enough to fund all our educational efforts, thanks for all who sponsored

- **Beverages:** available on course and in the pavillion after golf at your own expense. Free beer kegs are strategically located during play.
- **Dinner after golf;** dinner at the Saskatoon Golf Course Pavilion for all golfers
- **Continental breakfast:** a continental breakfast will be available before golf at the golf course.
- **ALSO,** please visit our website www.nadcachapter3.org for all opportunities.

You can also contact our Golf Outing committee for more information:

- **Donations:** All donations gladly accepted; we are looking for small items your company may have for inclusion in outing gift bags that we would like to give to each golfer. Any items with your advertising would be cheerfully appreciated. Be sure to have your items to us two weeks prior to the outing, we expect 200 golfers, so clean out your company bling cupboard.
- **Tosses and Mulligan's:** The goal of this outing is to have fun and to make that happen we are again using Tosses and Mulligans in this year's event. Mulligan is a do over. A toss will let you toss the ball as far as you can to extend your shot. Tosses cannot be used on the green - you cannot roll the ball on the green.
- **Contests:** Look for some long drives, closest to the pin and minor prizes for first, second, and last places. A raffle for larger items received the day of the outing will happen as well.
- **This will be the most fun you have this year on a golf course!!!**
