Scholarship Chairperson

Steve Quirk

SQuirk@cascade-cdc.com

Your support and participation in our annual Directory and Golf Outing allows us to sponsor NADCA Chapter 3 technical training as well as college and university scholarships for Chapter 3 members and their dependents.

Thanks to the support of our donors, beginning in 1999 with a budget of \$300 per year, we have been able to increase the budget to \$15,000 per year. This has enabled us to increase number of scholarship recipients each year along with the overall value of each scholarship.
