ODCT TESTIMONIAL

Sis. Josephine Raphino

'For with God nothing shall be impossible.' Luke 1:37

And that quote is the testimony of our dear Sister Jojo, a junior college student at Bentley University. She takes her education very seriously, and one of her biggest goals has always been to make the Dean's List. As many of you know, getting on the Dean's List is no small feat.

Determined, she began working harder, signing up for tutoring sessions and putting in extra effort. Even when church members asked her if she had made the list yet, instead of saying "not yet," she confidently declared that she would make it.

As the semester came to a close and finals approached, the pressure mounted. Her final grades suggested she might fall short. Feeling discouraged, she turned to the One she knew could help. She prayed and asked God to allow her to make the Dean's List, not just for herself, but as a testimony of His glory.

Two weeks after the semester ended, she received a letter in the mail: "Congratulations on making the Dean's List!" Overwhelmed with joy, she began to cry in tears of gratitude—knowing it was God who made it possible.

Dear Jojo Raphino,

Congratulations on being named to the Dean's List for Spring 2025! The Dean's List recognizes high academic achievement during a single semester, including those undergraduate students with at least a B+ average and no grade below C. You and your family can take considerable pride in this accomplishment.

Best wishes for your continued success at Bentley University.

Sis. Abigail Saddler

"Putting God first in everything you do, has brought me where I am today."

This is the powerful testimony of our dear Sister Abigail. Just a month ago, she started a new job, and even the process of getting hired was a testimony in itself. It taught her patience and reminded her to trust God even when things seemed impossible.

As part of her new role, Abigail was required to take and pass a critical exam within 90 days in order to keep her position. The pressure was intense, especially given the importance of the exam in her field. Naturally, she felt anxious. But rather than letting fear overtake her, she took action asking the ministry to lay hands on her and pray for success.

One thing Abigail held onto was the belief: "If God brought me to this job, He will help me pass this exam." Unfortunately, she didn't pass the test the first time. But that didn't shake her faith. She remembered the prayer and trusted God's timing. She rescheduled the exam with renewed determination. Before taking it again, she heard a quiet voice reminding her of the handkerchief Brother Earl Martin had given her. She placed it in her pocket and walked into the testing room with confidence.

Right before clicking "submit," she whispered, "Thank you, Lord, for letting me pass." And just like that—BOOM! The screen read: "Congratulations!" Overwhelmed with joy, Abigail knew without a doubt that God had been with her every step of the way. This victory was not just hers—it was a testimony to God's faithfulness.

MISSIONARY OUTREACH

It's truly heartening to share updates on our missionary outreach efforts. Our commitment to spreading the End-Time Message is making a significant impact across the globe. Here's a glimpse of the inspiring work being done by our dedicated missionaries.

Brother Samson Shetty Mantada in India

In India, Br. Samson is instrumental in constructing churches and spreading the Gospel, making a lasting impact on the local communities.

Brother Julio Corporan in Dominican Republic

In the Dominican Republic, Br. Julio continues to lead and guide the local congregation, nurturing a thriving community of faith.

MISSIONARY OUTREACH

Brother Jeffery Johnson in Ghana

Partnering with us, Br. Jeffery is actively involved in constructing numerous churches. Going to the highways and hedges, baptizing individuals and ensuring the Word is being spread far and wide.

Brother Phanes Joseph in Haiti

Brother Phanes continues to make a powerful impact in Haiti through church building and the youth ministry. Amid rising gang violence, the church has safely relocated from Mirebalais to Savon à Roche, where the work of the Lord carries on with bold faith. Please keep Brother Phanes and the congregation in your prayers as he continues to boldly advance the Gospel.

Brother Isu in Nepal

Through continuous communication, we've learned that believers in Nepal are steadfastly fighting the good fight to spread this message. Their resilience is truly commendable.

Brother Jonathan Miller in Jamaica

Br. Miller and the congregation at Faith Assembly Apostolic Church continue to move forward with the fire of this Restoration Message.

Youth Bible Study

*This month's study covered **The Rapture (65-1204, #146-148)** and **The Anointed Ones at the End-Time (65-0725M)**.*

We learned that the devil cannot reflect God's character, and denying the prophet makes one a false Christ. Emotion and sensation won't sustain faith—only the Word will. What you feed your mind reveals your walk with Christ. Some false prophets may be unaware, but others knowingly reject the truth due to pride or expectations. The "exodus" speaks of leaving spiritual Babylon and entering the Bride age.

Jesus Is Our Father

As Father's Day comes and goes each year, we pause to remember how our fathers raised us, taught us, and spoke into our lives. Whether bound by blood or connected through friendship, Father's Day stands as a special occasion to honor and celebrate the men who have shaped us. It's a day to recognize the profound role fathers and father figures play — through their love, guidance, unwavering support, and countless sacrifices. Many express their gratitude with cards, gifts, or quality time, but ultimately, Father's Day is about acknowledging the vital influence fathers have in nurturing families and molding future generations

As message believers, we hold fast to the truth that Jesus is our ultimate Father. We recognize the God-ordained place fathers have within the family and the home. This understanding transforms Father's Day from a single moment on the calendar into a daily reality — because every day we honor Jesus, our spiritual Father, who leads us in love, authority, and grace.

Br. Branham tells us the true position of a father which is to be head of the house. In the message *The Messiah*, Br. Branham goes into detail and says,

"I believe, on And in Genesis 1:26, when God made man, He made him a God, because He gave him

a dominion, and he had rulership. He had power over the birds of the air, the cattle, over the winds, the waves, the— the fishes of the sea, everything. He had dominion over everything. He was a ruler, anointed a ruler, because he was in the likeness and in the image of God with an earthly domain. "

May we honor fathers by supporting their God-given role as loving, wise leaders of their homes, reflecting the perfect example of Jesus, our ultimate Father, every day of the year.
