When you're borned again, God vindicates you. That's how God vindicates all of His nature. What? By their fruits. That's the way He vindicates His ministry. That's right. All of His servants are vindicated the same way He vindicates nature. How do you know it's a peach tree? Cause it bring peaches. How do you know it's an apple tree? It's bearing apples. How do you know it's a Christian? Christian signs bear from it, Christian life comes out of it.

WELCOME TO OUR FEBRUARY NEWSLETTER

Dear Readers,

Welcome to our February newsletter, a time where love is being stirred, testimonies are being shared, and hearts are being drawn together as one Bride. In this season, we celebrate the movement of love among us and the powerful ways God is uniting His people through faith, truth, and shared testimony.

This month, we're leaning into what it means to come together in faith, purpose, and love. February reminds us that love is not just something we feel, but something we live, share, and witness through the powerful testimonies God is releasing among His people. As the Bride is being drawn together, we celebrate connection, healing, and the beauty of unity.

In this issue of our newsletter, you'll find stories that stir the heart, testimonies that build faith, and reflections that encourage alignment and growth. Each page is designed to strengthen, uplift, and remind you that you are part of something greater, woven together in love and truth.

Thank you for being part of this community. Together, we are witnessing God move, honoring one another's journeys, and walking forward as a united Bride. We're grateful to share this season with you and invite you to continue growing, sharing, and testifying alongside us.

*Yours truly,
ODCT Newsletter Team & Editors*

THE POWER OF GOD'S LOVE

As February unfolds and the world reflects on the beauty of affection, we are called to look beyond the surface of human emotion and into the transformative Power of God's Love.

While we often cherish the natural bonds of family and friendship, there is a supernatural work that must take place within the soul to truly reflect the character of Christ.

This is not merely an intellectual agreement with doctrine, but a deep, heartfelt experience.

Brother Branham reinforces this reality in There Is Only One Way Provided By God For Anything when he declares, "...stay there until the results takes place, let that Holy Ghost power of God's love injects into your heart and makes you confess all your sins and all your unbelief, and accept Jesus Christ."

When God's love is truly injected into the heart, it changes how we respond to offense, how we see our brothers and sisters, and how we reflect Christ to the world.

THE POWER OF GOD'S LOVE

As we reflect on the depth of divine love, we are reminded of what Brother Edmond Raphino emphasized in his preaching on the Power of God's Love and what he referred to as the 11th Commandment which is a call to love one another not merely in word, but in Spirit and in truth.

This love is not optional sentiment; it is evidence of transformation. It is the kind of love that can only be produced when the Holy Ghost truly takes residence in the heart.

The 11th Commandment i.e "love one another" is not fulfilled by emotion alone but by dying to self, tearing down pride, bitterness, and unbelief, and allowing Agapao love to take over. It is that supernatural love that convicts, cleanses, and compels us to forgive, restore, and walk in unity.

YOUTH BIBLE STUDY

Welcome to our Youth Corner!

This is where you get to see what our young people are doing for the Lord this year.

Our youth are currently split into groups during Saturday Bible Study, where they are learning about the Token, what it means and how it applies to their lives. Each group then presents what they've learned to the church on Sunday.

Below, you'll see Group 3 presenting their study on the Token.

Presenters: (Left to Right) Judelet, Aiden, Imani, Gael, Angel, and Adam

Click the link image to view the wonderful PowerPoint they created and be blessed by what they learned.

Stay tuned for future topics and group projects as our youth continue to grow and learn in the Word!

ODCT TESTIMONIAL

Br. Milton White

"It all started when the Holy Ghost spoke to me and told me to leave my EMT job. I had been there for seven years, and I truly loved it. The pay was good, the work was stable, and I was on track to make close to \$100,000 a year. Leaving didn't make sense to me.

But one day at church, my pastor asked if I had quit yet. I said no, and he looked at me and said, "Are you a believer or not?" Brother Edmond reminded me that if I truly believe God, then I have to trust His voice more than anything.

So I obeyed. I put in my two weeks' notice, even though it was hard.

During that time, I realized God was preparing me for something greater. I always had a desire to own a business, but I didn't know where to start. I learned quickly that stepping out in faith isn't easy, but it's necessary.

I came across a video that said before you can prosper, you must first change your mindset and be grateful to God. That confirmed what we hear preached in our assembly: God blesses us not just for ourselves, but so we can help others.

Not long after, God began opening doors I never expected. That's when I stumbled upon a company called Dryer Vent Superheroes, and they were looking for someone to own a branch of their company, and that person was me.

I stepped into that opportunity, began building the location, and even started hiring employees to help establish it.

Then one day, an even bigger door opened. A major company reached out wanting my company's expertise for a 364-unit building project. I still don't know how such a huge opportunity came so quickly, but I know it was God in the midst of it."

PROCHECY FULFILLED

Wildwood Tabernacle, Royal Arkansas

We thank God for His faithfulness and for fulfilling His Word. On October 19, 2025, in the Arkansas October Meetings, the Lord spoke to Br. Tim Martin and said that Bro. Earl Martin, his father, would pray over him and his wife, and bless their union. As shown in the picture, on February 15th 2026!

Bro. Earl Martin prayed over them and blessed their union, confirming that God's promise has come to pass. Let's keep Bro. Tim and his wife in prayer as they embark on this new journey in life. To God be all the glory!

COURTSHIP

ODCT CHRONICLES

Br. Edmond, Sis. Kymie, and Sis. Felicia arrived safely in Arkansas, and we are truly grateful for everyone's prayers. We thank God for His protection in travel, for His presence in the service, and for the unity shared among the saints.

Winter Snowstorm Fern covered many states across the United States. Arkansas was among the states that were affected by freezing temperatures and icy roads. Therefore church service was held at the ODCT Boston home instead of Wildwood Tabernacle. The fellowship was sweet and blessed with the believers and as a confirmation the Holy Spirit fell down on the people. Blessed be His Holy Name!
