It's when you know that you have the earnest of your—of your Eternal redemption right now in you, by the baptism of the Holy Spirit, it's already quickened you. You are now risen with Him, and we're sitting together in Heavenly places, in Christ Jesus. See, you're no more of the world. If you love the world, and your affections are still on the things of the world, then the love of God is not even in you. See? We are from, free from the world. There is no more desire.

COME & SEE REVIVAL PRAISE REPORT

Sis. Sarah Raphino | Bosie, ID

“My testimony journey began at the Boston August Meetings, where God spoke to me and fulfilled the desires of my heart, demonstrating His continuous blessings. This divine experience continued at the Arkansas Come & See Revival, where I initially expected to witness God's work for all, only to realize that the Lord had even more in store for me personally, revealing His unexpected plans.”

Sis. Myriam Mentor | ODCT | North Chelmsford, MA

“The Come and See Revival was an incredible blessing for me, as I witnessed God move powerfully throughout the church. One moment that stands out is when the Lord spoke to a sister, fulfilling her heartfelt desire. In that instance, I couldn't help but think, "Lord, I want that same experience.”

Sis. Denise Dunn | ODCT | North Chelmsford, MA

I want to express my heartfelt gratitude to God and my Pastor Edmond Raphino, as without their support, I wouldn't have had this incredible opportunity. Owning my own home has always been a deep desire of mine, and the journey to get here was filled with prayers, patience, and rejection. Through it all, I've learned that God's timing is perfect, and today, I am honored to say that I am a homeowner, with an amazing team by my side, particularly Just A Realty and Br. Giovanni Mentor, who worked tirelessly with me throughout this process.

PIONEER OF GRATITUDE IN ODCT

Mommy Iyah

Thanksgiving is quickly approaching, a time when we pause to express our gratitude for the blessings we've received. Reflecting on this, we are reminded of Mommy Iyah, a pioneer in the church who embodied the spirit of thankfulness in every aspect of her life. Regardless of her own struggles and even when her body was in pain, she would make it to church, firmly believing that if she could just be there, everything would be alright. Mommy Iyah would always make it to church saying, ***"Paka pala"***, meaning ***"Gotta be there."***

Brother Branham spoke about the importance of gratefulness on Thanksgiving, saying ***"Tomorrow is Thanksgiving, a day that's set aside where our pilgrim forefathers set that day aside to give thanks to God for what we had—what He had done for us, for blessing them, giving them crops and so forth. It's one real American day. All the other days, like Saint Patrick's, and so forth, come from across the seas. But this is an American holiday: Thanksgiving Day."***

May we carry the same spirit of gratitude as Mommy Iyah and as Brother Branham described, recognizing the countless blessings we have in our lives.
