**2025 with ODCT!**  
**We thank God for a blessed year!**

That's the way God does today. He sends His Word for this hour, and the Holy Spirit comes and makes that Word live. And the darkness goes on to their creeds and denominations, but Light shines because it's the Word of God being vindicated that His Word is true. Now, there is nothing fictitious about that, that's just exactly Scriptural. All right.

# End-Time Eagle Hour Podcast...

## The Beginning

The End Time Eagle Hour podcast did not begin as a planned media venture but was a response to a burden on Bro Edmond's heart to spread the full restoration of the Word to the world. Little did he know that Bro Earl was having the same burden in his heart. One night, Br. Edmond and Br. Giovanni started talking about starting a podcast to reach more people from all over the world and share testimonies that the full restoration of God's kingdom in our day is producing. While they were discussing on how to carry on the podcast that night, Br. Earl called Br. Edmond and shared the desire in his heart to get this Full Restoration message we have and spread it all over the world. From the start of the podcast, the broadcast has been about the Full Restoration of the Kingdom of God in our day.

And not aware of a prophecy that went forth, and the "The Holy Spirit spoke to Earl that his message will go all around the world, little did we know we will be playing his messages on the podcast in the prophecy is fulfilling right before our eyes"

At the heart of its origin is a group of core contributors that include Brothers, Edmond Raphino, Kenol Helas, Nauly Jean-Francois, Giovanni Mentor, Tigayot Petit, and Sisters; Myriam Mentor, Kym Raphino and Richshelle Gabriel who created weekly programs and sacrificed their time to start this #EndTimeEagleHour move.

Currently at Episode# 155, the impact of the weekly podcast has been confirmed through testimonies from viewers and listeners whose faith has been made stronger, understanding made deeper and lives transformed through God's testimonies on *EndTimeEagleHour*. For instance, on Episode #24, Br. Giovanni asked Br Nathaniel. **"As a young person and having been brought up in this message today, what would you say to other young people? Has it been fun being in the message?"** Br Nathaniel answered, **"It's not easy for me, too. It's all about communicating with your pastor, communicating with the people around you. Prayer is also good answer for anything."** He felt these were resources that will help the young people in this message. He added that it is hard if you are double-sided; being in the message and yet trying to stay on the worldly side.

As Br. Nathaniel shared his testimony, it stirred Sis. Iesha's heart and brought her daughter to mind. Encouraged by the testimony, she called in, saying, "The word is speaking loud tonight... I'm thankful that I have Sis. Felicia as my resource." That moment of connection and support became the turning point that ultimately led her to join the ODCT congregation.

## PRAISE REPORT

### Br. David & Sis. Hannah Vargas

Our dear Sister Hannah and Brother David are faithful members of True Vine Tabernacle in Colorado and were recently married. Their courtship is a beautiful testimony of God's perfect timing. Ecclesiastes 3:11 says, "He has made everything beautiful in its time," a promise that carried us through nearly four years of waiting.

We have known each other for many years, serving together in the food bank and teaching Sunday school. Four years ago, when I heard David crying out to the Lord and expressing his deep love for God, I knew he was the one I wanted to stand beside for life. Though our journey included many trials, God answered our prayers and brought us together.

Later, immigration became a major obstacle as we desired marriage and a family. We laid it all before God, praying daily for Him to make a way. This summer, the door finally opened, and God once again proved His faithfulness.

We pray this testimony encourages anyone facing what seems impossible. We serve a God who still works miracles; let Him use your story for His glory.

We give God all the praise and glory for these Newlyweds and we ask everyone to continue keeping Brother David and Sister Hannah in your prayers.

# MISSIONARY OUTREACH SUPPORT :

PRAY FOR JAMAICA

Through the generous giving of the believers, we are thankful to share the powerful impact your support has made in the lives of our dear Brother Miller and his family. By the love and sacrifice of the saints, more than \$5,000 has been raised—and it is still counting—with every contribution going directly toward meeting their most pressing needs.

Because of your generosity, Bro. Miller was able to purchase a generator, an essential provision for his household, as they currently do not have a reliable source of electricity. In addition, we are also able to send a barrel filled with food and other essential supplies they need during this time.

Please keep our dear brothers and sisters in Jamaica in your prayers as they were impacted by Hurricane Melissa.

We thank God that none of the believers were harmed. If you feel led in your heart to support them, please consider donating; any amount is a blessing.

God bless you.
