62-0318 - THE SPOKEN WORD IS THE ORIGINAL SEED

I believe she's ready for the harvest now. When the Spirit falls, and there becomes a move amongst the people, them denominational will swing together just as certain as I'm standing in the pulpit, and the Church of God will be ousted. And they'll make it such a racket, until they'll confederate it, and put a boycott on anybody that don't belong to them.

REVIVAL IN NEW ENGLAND

By ODCT News Team

This past week, ODCT hosted its 14th annual Seven Thunders Revival, titled "The Quickening Power is Here for the Body Change." Believers from around the world gathered for this event. In Br. Branham's sermon "Tested Faith Produces Goods" (58-0518), he said, "If we'll be sincere and believe in the God that they believed in and serve Him with the same reverence that they served Him with, we'll see a revival again. And I believe it will start in New England. God's willing to do it if we're willing to carry it." Those who attended the Revival witnessed Br. Branham's words being fulfilled and have taken that experience back home with them. If you were unable to attend in person, you can visit the Open Door Community Tabernacle YouTube channel to view the services in English, Español, and Kreyòl. Also, look forward to new End-Time Eagle Hour episodes every Tuesday at 7:00 p.m. EST as we continue to share this revival with the world.

Also, in the recent End Time Eagle Hour Podcast Show #85, Bro. Naully was discussing how New Brunswick was a part of the New England area. Which is why we had to go up to Canada because they were a part of original New England area. All we know is that God is in everything!

PRAISE REPORT FROM THE REVIVAL

Sis. Paola Richard & Alana Richard

A couple of weeks before the meetings, Sister Paola and her daughter Alana attended a routine check-up, where they learned that Alana had failed one of her hearing tests and might be deaf in one ear, potentially requiring a hearing aid. Despite this concerning news, Sister Paola chose not to accept or claim these challenges.

During the Saturday night meeting, as part of the prayer line, Brother Earl Martin used Brother Branham's Sock to lay hands on each person, trusting in God's healing power. Inspired by the woman with the issue of blood, Sister Paola touched the cloth and then placed her hand on Alana's ears, believing wholeheartedly that the Lord had healed her daughter.

Bro. Julio & Sis. Olga Corparon

Our dear brother Julio from Santo Domingo has been in the United States for over a year, under the guidance of Pastor Edmond Raphino. During his time in Boston, he faced the challenge of being separated from his wife, who could not join him due to visa issues. Julio has longed for her presence by his side.

A week before our meeting, he requested the church to pray for his wife's ability to come to America as a testament to God's ongoing work in their lives. Remarkably, just a few days later, he received a call from her: she had been granted a 10-year Visa, allowing her to stay in the U.S. She was able to join him for our annual revival, and together they praised and glorified God for this wonderful blessing.
