SUNDAY WORSHIP SERVICE

11 AM - 2 PM

19 Saint John 15, He said, “I am the Vine; ye are the branches.” Now, the vine does not bear fruit. The vine only energizes the branch, and the branch bears fruit. And the Church is the branch connected into the Vine to bear fruit. You get it? And the—the branch cannot bear fruit until it’s energized by the Vine.

58-0207 - "Jesus Christ The Same Yesterday, Today, And Forever"

Rev. William Marrion Branham"

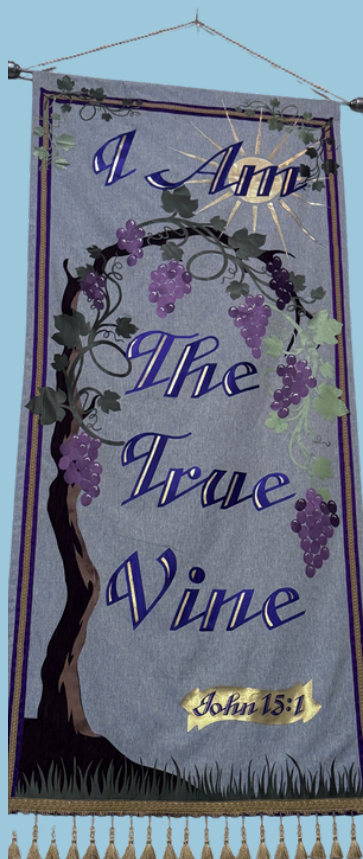

I Am The True Vine

As message believers we are all familiar with the scripture in **John 15:1** *"I am the true vine, and my Father is the husbandman."* and **John 15:5** *"I am the vine, ye are the branches: He that abideth in me, and I in him, the same bringeth forth much fruit: for without me ye can do nothing."* If you haven't realized it yet, Jesus Christ is the true vine, and we (the Bride) are the branches. We must carry the same life and produce the same spirit as Christ. Just as a branch receives its life from the vine, our spiritual life and strength come only by remaining fully connected to Him. That connection isn't just believing in Him—it's abiding in Him daily through prayer, the Word, obedience, and surrender.

In a message titled **Planting The Vine and Where To Plant It** Brother Branham says *"We've talked about this Vine, this heritage of God. Now, if that is true, then if we are truly the predestinated branch to that Vine, then that same Holy Spirit has to come through us. And if It does, It'll do the same thing It did through Him, for He is the Vine. We're the branches. And if...The Life that's in the Vine has to be in the branch, to make the branch live. If it brings forth a difference from what that Vine brought forth, then it's the wrong vine."*

So as believers, we must take this to heart and ask ourselves: is the life of the Vine continuing in us, the branches? Are our lives reflecting His Word, His character, and His Spirit? Brother Branham made it clear that if the same Holy Spirit that lived in Christ is living in us, then our lives will express that same life—not a form of religion, but the very nature of the Vine. The life of the Vine has to be in the branches, or else we are not truly connected to Him.

ODCT TESTIMONIAL

Bro. John Fletcher

ODCT had the opportunity to attend the True Vine Tabernacle Revival in Colorado, and it was a blessing to see believers from different parts of the world come together to worship in a building that truly stands as the fulfillment of prayer.

Br. John Fletcher is the pastor of True Vine Tabernacle, succeeding the late Br. Richard Leyba. For a long time, Br. John Fletcher carried the desire in his heart to have a building where the believers could gather freely to worship the Lord. At the beginning of this year, the church began searching earnestly for a place of their own. They prayed specifically for a building within their price range – a place that, when they saw it, they would know without a doubt that it was the blessing God had prepared for them.

One day, one of the sisters in the church was searching online and came across a building that had been a church many years ago. The owners still had pianos, chairs, 2 kitchens, a library, an office, and even a field where the young people could fellowship together.

Without any hesitation, the church went to see the building and instantly fell in love with it. They were ready to purchase it immediately. Usually, when purchasing a building, owners take everything with them, but this owner left it all behind – the pulpit, the chairs for the believers to sit, the projector, and many other small things. These seemingly small details meant so much to the church because today they are able to gather many believers from around the world in this place.

The building is big and beautiful, and it fits Br. John Fletcher and his congregation perfectly. God not only blessed them with a building but with a place fully equipped with all the resources they needed. It stands as a testimony that when you pray and believe, God provides beyond what you can imagine.
