## Wildwood Tabernacle

By ODCT News Team

Come experience the incredible journey of faith that brought Wildwood Tabernacle to life! Just as God guided Solomon in building the temple, God guided Brother Earl Martin through the Holy Spirit in every aspect of the building, from its location, design, builders, and even the materials.

Step by step, through powerful prophecy and divine guidance, this place of worship was created to honor the Lord. Every corner of this sacred space is a testament to God's hand at work, and we are thrilled to share this miracle with you. Come and witness the inspiring tabernacle that God has provided.

“Now, when God comes into our midst and proves Himself to us, in giving us the Holy Spirit, speaking with tongues and giving interpretation, sending gifts among us, like that; or prophecy that stands at a certain place, and says a certain thing, and does a certain thing and proves it time after time, that it never fails, that should build us into a place that would give us a hold on that Word, that wouldn’t let it loose. It ought to be a evidence right there. As long as God said so, that settles it.”

# COME & SEE REVIVAL PRAISE REPORT

*Br. Josh Pierrelus | Bread of Life Tabernacle | Maryland, DC*

Our dear brother Josh from Bread of Life Tabernacle in Maryland embarked on a 17-hour journey to witness firsthand what the Lord was doing in Arkansas. This being his first visit to Arkansas, he found himself at a loss for words to describe the profound impact of the meeting. Arriving on that Saturday night before the service, he confidently shared with his siblings and fellow youth members that they were in for an incredible experience. True to his words, as he anticipated, the Holy Spirit descended upon the gathering, touching the hearts of the people in a truly supernatural way.

"Arkansas was truly a blessing beyond words for me. It all started on a Friday when the Holy Spirit said, 'Some People are just riding off of somebody else's blessing but you have to enter in and get your own experience.' That hit me deeply because I longed for my testimony and blessing before returning to Boston. So, in my heart, I prayed to the Lord, asking for His touch, even as I knew I had important work to do for Him behind the camera."

"Attending the Arkansas Come & See Revival was a true Miracle. Coming back from that impactful event, I had to head to school that Monday morning. During my drive, I usually listen to music, and on that day, I chose to play the song 'God's Way' that we sang in Arkansas. Almost instantly, the presence of the Lord filled the car, and I was moved to tears, feeling His closeness in a profound way that stirred my emotions beyond control."

# PROPHECIES FULFILLED:

## Angels In Our Midst

During the recent **“Come and See”** Revival at Wildwood Tabernacle, the Holy Spirit spoke through a vessel to Br. Earl,

**“You watch, For I say My Angels My Angels are here. And I say I say, the cameras will pick them up.”**

The congregation rejoiced with expectation to see those Angels on camera as the Holy Spirit continued to move. During the Sunday morning service, the last service of the Arkansas revival, the Holy Spirit fell throughout the whole sanctuary, blessing the congregation.

As the cameras were rolling, two bright blue lights ( shown in the pictures above) appear in the recording. The lights can be seen for 3:26 minutes before dimming away. This is another testimony to God’s people that He always fulfills his Promises!
