Fifi Larue The Gothic Killer Clown Of Rock n' Roll!

-----The world has long feared his resurrection.
 He tormented women in the 30's.
 He inflicted untold horrors in the 90's.
 And now he's back! No longer a "Kinder & Gentler" Fifi Larue,
 he has become hell-bent on restoring Heavy Metal to planet
 Earth and entertaining the demented youth of the 21st century...

-----Fifi Larue, a genetic experiment that went awry, has been
 referred to as "The Hoand From Hell", "The Canine Of Carnage",
 "The Dog Of Disaster" and "The Vampire Of Desire". So many
 names, yet only one mission: A continual Search for the female
 prey! A thirst that is never entirely quenched.

-----Many women have foolishly tried to domesticate this beast and
 failed. As legend has it, the Hoand must continue his ritualistic
 sprees until the trae Gothic Queen is found. It is said the blood
 that she possesses is the only force powerful enough to tame
 the Gothic Killer Clown Of Rock n' Roll, "Fifi Larue".

AND I'M FIFI LARUE, THE GOTHIC KILLER CLOWN OF ROCK N ROLL

LAST COMIC STANDING

WE'S HERE W/ THE ONE AND ONLY FIFI LARUE AND HERE IS WHAT HE HAD TO SAY...how are you?

FIFI: Just get to the goddamn questions already!

HOW LONG HAS YOUR CRAZY ASS BEEN AROUND (who's in the band now, history, who the fuck are you)?

FIFI: I've been around since the 80's Hollywood Heavy Metal Scene... but, Started the full-on CLOWN Make-up thing in 90's, I'm the Heavy Metal Messiah!!! I'm bringing Back Heavy Metal the way it was meant to be... my bandmates are Andy Monic on Bass, Hexx- on Guitars, and El Diablo-on Drums... and I'm the Clown Singer...")

WE SAW YOU RECENTLY ON SPIKE'S 1000 WAYS TO DIE...what shows are you gonna be making your insane and mundane tv appearance?

FIFI: Yeah! 1,000 ways to die! was a cool shoot! and we just Auditioned for the Judges Howie Mandel, Piers Morgan and Sharon Osbourne "you can say they Lost their Heads over Me!" on "AMERICA'S GOT TALENT" it was fun to be on National T.V. again! this time on NBC! last time we did "The Next Great American Band" on Fox T.V. those judges Ian "Dicko" Dickson, Johnny Rzeznik and Sheila E "Those judges aren't even on T.V. anymore nor is the show!..." it just show's you that I out live those people you can't stop the Killer Clown Of Rock n' Roll!

We also, just did a taping for "Hollywood Taxi" going to be aired on TruTV, and I just did a interview with Estrelia T.V. Channel 42 Spanish channel for the Jose' Luis sin censura show... for possibly being a Judge for his show... let's see what happens? I love being a T.V. media whore... it's the only way to get yourself out there... and don't be surprise if someday you see me with my very own late night T.V. show...")

ANYTHING ELSE (if it's confidential due to contractual reasons, what else can you announce)?

FIFI: Yeah! Americas Got Talent made us sign all kinds of stuff! We can just say we "Auditioned for the Judges!" so, People just have to watch the show...")

WHO'S YOUR FAVORITE CLOWN?

FIFI: Chucky the Doll, Pee Wee Herman, then BOZO the Clown! those producers from Estrelia T.V. Spanish channel called me "Krusty the Clown!" I guess I am a little Krusty!...Hahaha!

WHAT DO YOU THINK OF JUGGALOS (do you think they are the club kids to black metal)?

FIFI: I had to google Juggalos! I didn't know what the fuck you were talking about? now that I did it I see it's the ICP fans base... Cool anything to keep Clown bands roaming around this Earth is a Good thing...

WHO IS DEADLIEST (natalie portman or anna paquin)?

FIFI: I had to google them too... Hahaha! screw those Chicks! Sofia Vergara is the one I want but, I have to be able to do her in Clown Make-up!!!

WHO IS DEADLIEST (joker or the crow)?

FIFI: Jack the Ripper

WHO IS DEADLIEST (alright, it's redundant)...who the hell is mrs. valdez?

FIFI: Who is George Lopez??? I was on his show when Gene Simmons was guest on the show...I was a Dancing Clown next to his Band during the show another Fifi T.V. Plug!

ANY LAST WORDS FOR YOUR LONG AWAITING FANS?

FIFI: We are working on a New Cd called "The CIFI" (if you see a Clown, "F" a Clown) and a New York production company is doing a Fifi Larue Documentary on my life as a Killer Clown... so, all is good in FifiLand!!!
