EXPERIENCED LEADERSHIP

20+ Years of Silicon Valley Full-Desk Recruiting Experience

LS & D Logistics is led by a seasoned business professional whose background combines more than 20 years of full-desk recruiting in Silicon Valley with extensive healthcare-industry experience.

That experience brings proven strengths in client development, relationship management, professional communication, confidential information handling, deadline-driven coordination, problem solving, and service accountability.

BUSINESS ADVANTAGE

WHAT THAT MEANS FOR OUR CLIENTS

- Professional communication with managers and decision-makers
- Understanding client requirements before accepting an assignment
- Responsiveness when priorities or schedules change
- Respect for confidential and sensitive material
- Relationship-focused service rather than transactional delivery
- A strong foundation for screening and managing qualified delivery professionals as the company grows

OUR COMMITMENT

THE LS & D DIFFERENCE

We are not simply moving an item from Point A to Point B. We focus on understanding the assignment, protecting its integrity, communicating clearly, meeting the deadline, and building a relationship the client can depend on.

EVERY DELIVERY MATTERS.
