Country Club of Lansing

Attention: John Lindert

2200 Moores River Drive

Lansing, Michigan 48911-1046

Mr. Lindert,

On behalf of the members and associates of the Midwest Section PGA we are pleased to support the nomination of Don Rea Jr. PGA, as the next Secretary of the PGA of America. His service to the industry and most importantly our great association has not gone unnoticed and certainly shines brightly.

We confidently believe that Don's viewpoints, wisdom, mindsets, staunch leadership and his preparation have been brilliant and will continue to be brilliant as our next Secretary. The officers were in total unity with the selection and believe Don will represent not just us but the entire 29,000 with dignity and professionalism.

In addition to his impressive work resume, Don's service (over two decades) to our association is very much appreciated and will serve him well in the very near future. We look forward to the possibility of Don Rea Jr., serving as Secretary of the PGA of America.

We Wear One Badge,

Randy Towner, PGA

President

Midwest Section
