Dear John,

The South Central Section, Derrick Vest, Jerod Lundy and I are honored to provide a letter of support for Don Rea for the office of Secretary of the PGA of America.

Don's experience and passion to help his fellow PGA members and his knowledge of PGA business are key factors that helped convince us to support his efforts. The quality of all the candidates made this a difficult decision and we wish them all the best of luck.

We look forward to the upcoming National Meeting and final results of the election.

Thank you for your time and receiving this letter of support from the South Central Section for Don Rea.

Sincerely,

Troy Hendricks, PGA
