Mr. John Lindert, PGA
Secretary, PGA of America
100 Avenue of the Champions
Palm Beach Gardens, FL 33418

Dear Secretary Lindert,

The Officers of the Rocky Mountain Section PGA proudly second the nomination of Don Rea, Jr., candidate for Secretary in the upcoming PGA of America election.

Mr. Rea has distinguished himself as an owner of a golf facility, Officer of the Southwest Section PGA and District 14 Director. He is a commanding presence in all types of meetings and is not afraid to present a dissenting opinion if necessary. We believe that he will be an outstanding spokesman for, and representative of the members and associates of the PGA of America.

In our view, Don's experience as an owner of a golf facility in Arizona makes him uniquely qualified to represent and lead the members of the PGA. He is knowledgeable about all aspects of the business of golf, employs PGA Professionals and has the experience of having served his District in the Board Room. This well rounded "resume" differentiates him as the top candidate in this year's election and has made the decision to pledge our support an easy one.

Finally, we believe that Don Rea, Jr. will be an advocate for PGA Members and Associates in all aspects of his service as an Officer. He understands the importance of maintaining focus on the business of the association while at the same time keeping the needs of the Members and Associates at the forefront of the discussion. This balance is critical for long term success.

Please contact me if you have any questions or need more information.

Respectfully submitted,

ROCKY MOUNTAIN SECTION PGA
