Volume 18 No. 2, February 2023 (published Jan.25th 2023)

Next Meeting: Wednesday, Feb. 1, 2023 @ 10:00 A.M. Milton Sports Centre

From the President: (William Scarrow 905-878-7176; billy@scarrow.ca)

We wondered where the winter snow was. Well, when you read this, we will have got it by the bucketful. Before this week, it was a mild winter. Look out for more as this is Canada.

2023 Annual dues

Our 2023 \$50.00 annual fee final date for payment is the day of our February general meeting. If you have not yet paid, please bring a cheque to the meeting or send an e-transfer no later than the meeting date of February 1.

Club Activities

As earlier reported, your Club has many 2023 activities lined up with Special Interest Activities and Special Events. Darlene and I belong to Jester Jokers, and the Wine Club which meets tonight (February 24 at the home of Walter and Anne Eadie with 14 members expected). Our Groups offer a great break from the long winter.

I asked in my January letter, “Anyone interested in a nudist club” The response exceeded expectations and I am happy to report the organizers are working on a meeting venue and dress code.

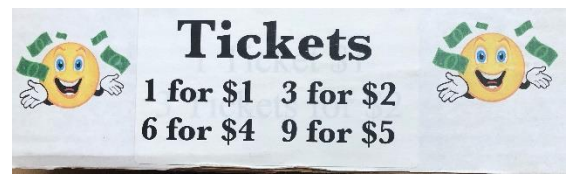

Quote from a nudist “First off, nudists don’t practice being nude. Do you practice wearing clothes?”

And remember

“OUR STRENGTH IS IN FELLOWSHIP, OUR SUCCESS IS IN PARTICIPATION”

Share the wealth (*No change*)
Exact change only please.

YOUR MANAGEMENT TEAM MET JANUARY 11 AT THE HOME OF ROBERT AND CAROL STREETER, PROPERTY DIRECTOR AND PROGRAM DIRECTOR.

Vaccination boosters for members and new members is strongly recommended but not mandatory.

Updated list for attending meetings and groups.

Vaccinations Members and new members are still required to be vaccinated. Booster shots are strongly recommended.

Hugs and handshakes Discouraged

Intermingling with other guests Covid precautions including social distancing recommended.

Seating - chairs and tables Members are encouraged not to move chairs or tables

We are going Cashless

(Except for share the wealth)

This is an update from last Management meeting update. At the Management meeting on January 11, Susan Popp informed us she found some cash in Management Probus files from prior years but does not know who the cash belongs to, whether a member of the Club or the Club itself. She also found some member cheques now stale dated.

If we had been cashless in past, there would be no mystery.

Probus Canada Logo

Probus Canada may be changing its logo pictured above. A copy of the new proposed logo was passed around the table for comment. Consensus among management members appeared to be lack of enthusiasm.

Henry Popp Vice President

Henry and Susan Popp will be on holiday the day of the April AGM. It was agreed that I can swear Henry into the President role at the Management meeting on March 20 (normally done at the AGM) to be effective April 5, the day of the AGM. This ceremony will be videotaped and played at the AGM meeting.

Member table at February meeting

Nancy Lynn will be on holiday the day of the meeting. Alice Carey will run the members table in her absence.

New management members needed

As announced at the January general meeting, member Walter Eadie has accepted managements request to chair the Management Nomination Committee consisting of him, Anne Eadie and Ruth Parkinson to search for new Management members. If you are interested in joining Management, please contact any of the three above named nomination committee members directly.

Further updates on the search for new members will come from the committee.

Questions at general meetings

If you have questions at general meetings, please raise your hand and Bob Streeter or myself will bring a microphone to you so all of us can hear what you are saying.

From Our Vice President (Henry Popp 905-876-3241; hpoppp1891@icloud.com)

Member Experience:

During the second half of our monthly general meetings, we used to have someone from within our membership give a short (approximately ten minute) talk about their life, family history, holiday, adventure, hobby or anything of interest. We all have something to tell.

We would like to resume having these short talks and are looking for some volunteers. While most of us shy away from public speaking, let your “public speaking butterflies” fly in formation and tell us your story.

If anyone is interested, please contact Henry Popp by email (hpoppp1891@icloud.com) or by phone (905-876-3241) or speak to me during the coffee break.

Nominations Committee (Walter Eadie 905-878-7143; walter.eadie@cogeco.ca)

At the April 2023 AGM, the following positions on the Management Committee will be up for election: Vice President, Secretary, Program Director, Fellowship Director, and Facilities Director.

With the exception of the VP role, these are 2-year terms.

I have already received some nominations and expressions of interest. If you would like to nominate yourself, or someone else (with their consent), or just like to know more, please get in touch.

Special Interest Groups

1 Bits and Bites (Marlene Murphy 905-659-2288; marlene_murphy@hotmail.com)
(Anne Eadie 905-878-7143 aeadiehome@cogeco.ca)

Pat Oates hosted our January Bits and Bites in the Party room of her condominium. All guests were able to get together at one venue. Since Mother Nature did not cooperate in December, we decided to celebrate the Holiday Season in January. The weather forecast did not look agreeable, but as the day went on, the weather improved. Our Burlington friends decided not to attend as the fog outside of Milton created poor driving conditions. Just over twenty members attended. It was a very enjoyable evening with wonderful appetizers and good company.

2 Bridge (Ruth Parkinson 416-371-2357; ruth.parkinson@sympatico.ca)

December games cancelled due to Christmas/New Years.

Our January bridge afternoon will be on line as folks are travelling. This allows members who are not living in the Milton area to join the monthly bridge event. We are open to all who would like to be part of the bridge group. Hopefully in February we will play in person. Our bridge group is playing on Thursday, Jan. 26th via Trickster(on line). I will not have anything for the newsletter is time as in Feb. ,we will be short on people and probably will play on line the end of February.

3 Canasta (Anna Marie Jones 905-878-5707 annamarijones@sympatico.ca)

Games cancelled due to Christmas/New Years. January Canasta games will be played at the home of Linda Heggie on January 27, 2023, 1 pm.

5 Friday Bid Euchre (Joe & Zina Yaworski 905-878-3959; joe_zina@hotmail.com)

Bonnie Chapman hosted our first 2023 games on January Friday 13th. Everyone was happy to begin the new year in person and catching up on the holiday adventures.

Nancy Lynn was the top winner; Bill Turnbull was second and Corinne Turnbull was a close third winner.

Thank you, Bonnie, for the delicious array of snacks and drinks.

The February games will be hosted by Carol and Bob Streeter.

6 Wednesday Bid Euchre (Donna Elliott 905-331-3161; donna.volunteer@gmail.com)
(John Stubbington 905-331-3161; stubbijo@yahoo.com)

Myra and Bill (deceased) Faichnie hosted the 1st Bid Euchre game on Wednesday, May 27th, 2009.

Myra kept the Bid Euchre group going for nearly 14 years.

We presented Myra with a box of chocolates as a thank you for making the Bid Euchre group so great.

Thank you also to Donna Elliott and John Stubbington for volunteering to be the next Wednesday Bid Euchre group leaders.

Linda and Dan Reid

Anna Marie and Tom hosted the snowy day bid euchre with lots of laughs among the players.

Nancy and Dave decided to leave early for their drive back to Burlington before too much snow had accumulated.

Anna Marie and Tom Jones were the 1st place winners (no picture of Tom as he was out shovelling snow) and Carol Elliott was the 2nd place winner.

It was such a snowy day and all were concerned about driving home so we finished at 4pm. Thank you, Tom and Dan for cleaning the snow off all the cars.

We extend a big welcome to our newest player - Maureen (Moe) Rolph. Our next game will be hosted by John Stubbington and Donna Elliott on Wednesday, February 22nd 2023 . Stay warm and safe everyone.

7 The Walking Group (Terry Cole 905-845-0171; terryjane@sympatico.ca)
(Walter Eadie 905-691-5100 walter.eadie@cogeco.ca)

January's hiking Mondays were filled with great variances in weather conditions, different venue conditions and wonderful companionship and conversations. The only thing that was missing??? **Where is the Sun?**

Our walks took us to several new area of the planet. We started the New Year off on the Pipeline Trail in the southwest of town and progressed to the Halton hills trails in Acton.

Our third venue was a bit further afield. Led by Wendy and James Mestrussi we hiked the quaint streets and Markets of Thailand in search of gifts to celebrate the coming of the Lunar New Year.(Year of the Rabbit)

We then returned to Milton to walk the Sam Sherrat trail.

The end of January brought us to the snow covered trails and trees of Crawford Lake conservation area.

Our attendance at these venues averaged in the area of 17 participants per walk. To the troops congrats on your participation come cool to cold and lack of sun, and lack of sun, and lack of sun.

The PWG is always looking for new members to join us. If you are interest in joining us, we usually meet at the south parking lot of Milton Mall near the Fit 4 Less. We meet at 9:10 AM with departure for the chosen venue at 9:30 AM. We try to carpool so if you need a ride it can be arranged. If Interest please contact myself (Terry Cole) at terryjane@sympatico.ca or Walter Eadie at walter.eadie@cogeco.ca .

8-1 Jokers (Venue 1 – Linda & Dan Reid 905-878-7717; dlreid@sympatico.ca)

Well our Host, Dan Reid was getting over a cough so he stayed in the loft while 3 tables played jokers. At times, during the games, it was either very noisy or very quiet as the players strategized their next move.

After our 3rd joker game we decided we wanted to socialize with a glass of wine.

Gus McCorquodale was our 3 game winner, congratulation's Gus.

Thank to our spares Brenda Morrow and Bob Streeter for joining us.

(Venue 2 – Joe & Zina Yaworski 905-878-3959; joe_zina@hotmail.com)

Joe and Zina Yaworski hosted the afternoon bid euchre games on January 6th. As the players were welcomed, the aroma of mulled wine intrigued some players while others preferred a cup of tea to begin the games.

It was a lovely afternoon of laughter, deep thought, and strategic planning. Joe Yaworski was the only winner of 3 games.

After the games, with 4 o'clock drinks in hand, there was time for more laughter, talk and examining Milton's Brick Co bricks. We began to wonder if the Wizard of Oz's yellow brick road was made of Milton's bricks!

8-2 Jester Jokers

The Jester Group met on January 10th. Again we able to consolidate into one venue, and fit 4 tables at the home of Patricia Koteck, who hosted the event with the assistance of Pat Oakes.

There were several 2 game winners, however our congratulations goes out to Patricia McIntyre, who had a perfect afternoon, winning all of the 3 games that she participated in. I would add my condolences to Joe Bernadino, who couldn't seem to do anything right.

Our next games will be held on February 14th. Hopefully some of our absentee members will be available and we can return to our usual 2 venues

8-3 Wee Joker (Brian & Marlene Murphy 905-659-2288; brian_e_murphy@hotmail.com; marlene_murphy@hotmail.com)

Bonnie Chapman was our three game winner for the month of January. Carol Elliot joined us to fill out the three tables and we could hear her infectious laugh throughout the afternoon. Brian Murphy hosted Friday's games. February will see some of our members traveling.

9 Spinecrackers (Nancy Lynn 905-319-0191; lynn67.personal@gmail.com)

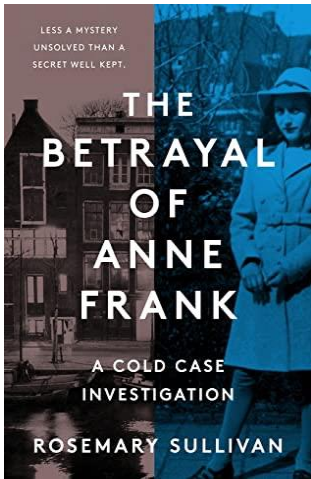

We ushered in the new year with a plan to expand our Spinecracker membership. After much discussion, we are going to attempt a 2 venue format. We will all read the same book but when we have too many for one household we will split into two groups and two households. It could be very interesting to find many more varied interpretations of the same book.

If you are interested in joining us - please let one of our members know or call or email Nancy Lynn. 905 319 0191 lynn67.personal@gmail.com

And then - as the group were leaving - Nancy remembered to take photographs. This is all she got!

This month's book was Non Fiction **The Betrayal of Anne Frank** by Rosemary Sullivan. It concerned the search over a five year period for the person(s) responsible for giving up the hiding place of the Frank family. It was a difficult book to complete, due to the number of names in both Dutch and German, the overwhelming presentation of data, and the horrific topic of the Holocaust. It is our lowest score ever!

10 Grape Expectations Wine Club(Tom & Alice Carey 905-336-6309; carealic@sympatico.ca)

Fifteen Members of the Grape Expectations Wine Club got together on January 24th and shared another enjoyable social evening, this time at the home of Anne & Walter Eadie.

The "theme" of the Evening was "A Pinot Night". Our Group enjoyed tasting a variety of Wines from the "Pinot" Varietal.

Whether it be the Pinot Noir, Pinot Gris or the Pinot Grigio, our tastebud enjoyed Wines made from the "Pinot" Grape, which by the way is one of the oldest Grape varieties.

After the "Tasting" Anne & Walter served a wonderful array of Cheeses, Crackers and those Oh!! so wonderful little Chocolate Eclairs.

Many thanks to Walter & Anne for another wonderful Evening of "Chit Chat" & Sipping, and in the usual tradition of a Probus Event, "Eating"!

Thanks Walter

For those born between 1930-1946
Here's some interesting statistics.....

The 1% Age Group

This special group was born between 1930

Are you, or do you know, someone "still
here?"

Interesting Facts For You

You are the smallest group of children
born since the early 1900s.

You are the last generation, climbing out
of the depression, who can remember the
winds of war and the impact of a world at
war that rattled the structure of our daily
lives for years.

You are the last to remember ration books
for everything from gas to sugar to shoes
to stoves.

You saved tin foil and poured fried meat
fat into tin cans.

front windows of grieving neighbors
whose sons died in the War.

With no TV until the 1950s, you spent
your childhood "playing outside" There
was no Little League. Many kids walked to
school.

There was no city playground for kids.
You organized neighborhood baseball and
football games on vacant lots. You rode
your bike everywhere.

The lack of television in your early years
meant that you had little real
understanding of what the world was like.

On Saturday mornings and afternoons, the movies gave you newsreels sandwiched in between westerns and cartoons.

Telephones were one to a house, often shared (party lines), and hung on the wall in the kitchen (no cares about privacy).

Computers were called calculators; they were hand-cranked.

Typewriters were driven by pounding fingers, throwing the carriage, and changing the ribbon.

'INTERNET' and 'GOOGLE' were words that did not exist.

Newspapers and magazines were written for adults and the news was broadcast on your radio in the evening. Kids read comic books.

The Government gave returning Veterans the means to get an education and spurred colleges to grow.

Loans fanned a housing boom

Pent-up demand, coupled with new installment payment plans opened many factories for work.

New highways would bring jobs and mobility

The veterans joined civic clubs and became active in politics.

The radio network expanded from 3 stations to thousands.

Your parents were suddenly free from the

confines of the depression and the war, and they threw themselves into exploring opportunities they had never imagined.

You weren't neglected, but you weren't today's all-consuming family focus.

They were glad you played by yourselves until the street lights came on.

They were busy discovering the postwar world.

You entered a world of overflowing plenty and opportunity; a world where you were welcomed, enjoyed ourselves and felt secure in your future although the depression poverty was deeply remembered.

Polio was still acrippler.

You came of age in the '50s and '60s.

You are the last generation to experience an interlude when there were no threats to our homeland.

The second world war was over and the cold war, terrorism, global warming, and perpetual economic insecurity had yet to haunt life with unease.

Only your generation can remember both a time of great war and a time when our world was secure and full of bright promise and plenty.

You grew up at the best possible time, a time when the world was getting better...

You are "The Last Ones."

More than 99 % of you are either retired or deceased, and you feel privileged to have "lived in the best of times!"

Amen! It's great being part of the 1%
