HUMOR IN
VERSE,
PROGRESS
IN PRINT!

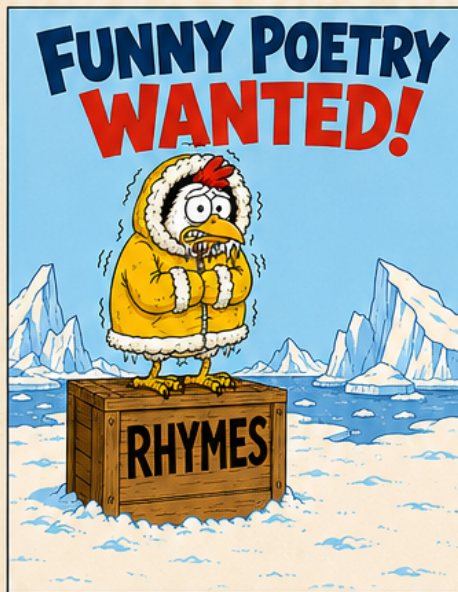

BIG NEWS!

WE NOW HAVE OVER
190 POEMS FROM
6 OUT OF 7
CONTINENTS!

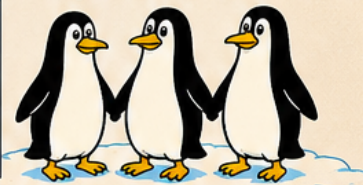

THANK YOU, POETS,
FOR SHARING YOUR
TALENT AND YOUR SENSE
OF HUMOR WITH THE WORLD!

CALLING ALL POETS... EVEN THE CHILLY ONES!

Our call for humorous
poetry went out to
Antarctica in their
online news source.

Wishing and hoping
we get a poem from
the seventh continent.
Hey, even penguins
have a sense of humor...
we just know it!

A PEEK BEHIND THE PEN (OR STYLUS)

Here's a work-in-progress look at an illustration
for **Massive Fish Sale** by Alan J. Wright.

Our first edition
will be black and
white like the
photo.

A color version
will come later.

Colorized
version?
Likely in
2027!

OUR SILLY STYLE

Our illustrations are inspired by the
wacky worlds of early Hanna-Barbera
cartoons, MAD magazine's Don Martin,
and classic Cel Art-Style Animation.

PLUS!

A LITTLE LIFE UPDATE...

Here is my
new daughter-
in-law!

I've been a little busy
marrying off my son,
Benjamin!

I promise to get back to everyone soon.
Thanks for your patience and understanding!

A SAD (BUT SILLY) UPDATE...

We were sadly rejected by the
representatives of the
SHEL SILVERSTEIN ESTATE
regarding publishing any of his
published or unpublished work.
We will **SILLY ON** without him.
