Star of the Week

This week our Star of the Week is Oliver. Oliver has become a hard worker. He is always willing to help others. He sees something that needs to be done and he does it. This week we will choose another Star Student.

We are officially in the last quarter of this school year. I have so enjoyed working with your children this year and helping to prepare them for second grade. We sill havte lots to do to finish out the year, so encourage your child to continue to give their best.

This week we will have our normal spelling list and verse to work on. This is also the week of our Weather Reports. I hope you are enjoying helping your child get ready for the report. I enjoy listening to what they have prepared. The reports are due on Wednesday and every child is required to do a report. If they plan on wearing special clothes, just send them in and I will let them change before we do the reports. Thank you so much for your help.

Reminders

There will be chapel this week.

There will be mileage club this week.

This is a challenge week. Students are encouraged to wear green.

Reminder - students need to have their PE clothes for mileage club.

We learned how that God is a jealous God. He created us and when we go astray, it saddens Him because He wants us to follow Him. It's a protective jealousy. He wants our heart!

Verse and Bible Truth

Ephesians 6:15-16 "and as shoes for your feet, having put on the readiness given by the gospel of peace. In all circumstances, take up the shield of faith, with which you can extinguish all the fiery darts of the evil one."

What do we deserve because of our sin? We deserve to be punished by God.
