- **Science:** For this week, we are going to finish our in-class project on Monday. Then, students will present their posters to the class on Tuesday! When we return from Thanksgiving Break, we will start our next chapter over stars.
- **History:** The students are learning about time zones around the world as they continue to develop their map skills. We also are traveling down the Road to Revolution as we study the various events and people that led to the signing of the Declaration of Independence.

Language Arts & Bible:

- **Reading:** This week we will read *The Boy Who Fell Off the Mayflower* and write a summary. When we return, we will learn about Louis Braille and his system of dots that became a written language for the visually impaired!
- **English:** After Thanksgiving Break, we will begin a unit on verbs.
- **Word Study:** Test over list #11 on Tuesday
- **Jar of Books Challenge:** The students have only one more week to read for November! When we return to school on Dec. 1st, students must turn in their book reviews and signed books! Remember, each student is required to read at least one book per month. Because class time will be limited in December, students will have free-choice reading (at least 100 pgs.), but books must be appropriate for their reading levels. If they're unsure about a book, they are welcome to ask me.
- **Bible:** For December, we will take a break from Proverbs and learn verses from Luke 2 about the birth of our Savior.
- **Memory Verse:** No test this week. Study Luke 2: 10-11 for a test on Dec. 5th
