| 8. broke    |   |                                    |

### Bible Verse

“There is therefore now no condemnation for those who are in Christ Jesus.”

**Romans 8:1 ESV**

Math  
(Nash)

We will continue working through Chapter 8 (long division). Students need to master their multiplication and division facts!

Science  
(Willeke)

The class is currently exploring the fascinating world of vertebrates. Each student has selected a specific vertebrate to study and will have the opportunity to create an engaging poster showcasing their chosen animal.

ELA  
(Baker)

Reading: With the upcoming observance of Martin Luther King, Jr.’s birthday and life, the students will read about his fight for equal rights and our responsibility to respect and love everyone God has created. Reading journals are due Tuesday, January 14th.

English: This week the students will focus on linking verbs and distinguishing between linking verbs and action verbs.

History  
(Willeke)

Students will continue to learn about Ancient China and the Shang Dynasty. Additionally, we will continue to have current events that tie us into modern day China.

Bible  
(Willeke)

We are continuing to explore the Bible daily with Versle....each day the students are using context clues to discover a verse of scripture. The class was able to get 4 for 4 scriptures correct last week.

Congratulations to our VIP LUNCH EARNERS from the second nine weeks!! There were 19 earners and **NINE** were 4th graders!! Way to go 4th grade!!
