Here is a note from Kim Curtis, our Choice specialist:

If your child received an Indiana CHOICE voucher this school year, then you will be receiving an envelope in your child's take-home folder today. The letter is from the Indiana Department of Education, explaining that the final award amount for your child(ren)'s Indiana CHOICE voucher has been determined.

For many of you, the amount of the voucher is no different than the estimated amount you were given last summer. For some families the voucher has increased a bit, and an additional page is included in your envelope to explain the difference. For a few families the voucher amount was reduced compared to the estimate you were given last fall. Kim Curtis, our Financial Aid Coordinator, will reach out to those families with options for making up the difference in their voucher amounts.

If you have any questions about your final Indiana CHOICE voucher award amount, please contact Kim Curtis at choice@burgeterrace.org.

I hope that you enjoy St. Patrick's Day and have a safe Spring Break.

Here is an Irish blessing for you:

*For each petal on the shamrock,
This brings a wish your way,
Good health, good luck, and happiness
For today and every day.*

Mrs. Newton
