We are only 4 weeks away from the end of the quarter, which means 4 weeks until IXL quarterly skills are due. Students need at least 25 skills on their VIP document to earn an A+ on this "test grade" for the quarter. This means we are also 4 weeks away from the VIP Breakfast!
- **Science:** On Monday, we will begin our last Science chapter of the year over animal classification.
- **History:** In history class, we will continue our study of Lewis and Clark, landmarks of Washington, DC, and Civil War events such as Sherman's March to the Sea and the assassination of President Lincoln.

Language Arts, Bible, & History:

- **Reading:** The students will continue in their Pilgrim's Progress novel. This week, they will begin planning and creating their own allegories to teach a character lesson to their first-grade reading buddies! **We will postpone our vocab test until a later date.**
- **Jar of Books:** The students have until **April 30th** to finish reading their chapter book and completing their main idea bookmark.
