Star of the Week

This week our Star Student was Ollie. Ollie has made a lot of progress in school this year and is always willing to help his teacher and his classmates.

Classroom News

Thank you to all of you who came in to help with Field Day this past Friday. It was a cold day but still lots of fun.

Congratulations to the T-Rex team!

We will have our normal spelling and vese this week as well as a history test. I will send home a study guide for the history test. Please read over this study guide with your child a few times to have this well prepared.

We have been diligently working on our Peter Rabbit play and making some good progress. For the play, we will need a little help from your. Most of the children will be in the chorus and only singing. We will need them to wear a white t-shirt and pair of nice looking jeans.(No holes and not tight) They will also need to wear a pair of white socks. I will send home a list of the ones who sill need this costume. If your child is one of the bunnies, their costumes are taken care of. Have a great week as we finish up the last 14 days of school.

Reminders

There will be chapel this week.

Tuesday will be the last mileage club of the year. Students may wear LOGO t-shirt (Nike, Adidas, Under Armor, etc.)

This past week in chapel we learned that one of God's names is Ancient of Days. This means he has always been. He has always existed. He is also all-wise and all powerful. He is sovereign and in control of all things. So, from this we learn that we can trust God when life seems out of control. We must obey and worship him, and wait for His return.

Verse and Bible Truth

Ephesians 2:8-9

"For by grace you have been saved through faith. And this is not your own doing. It is the gift of God, not a result of works, so that no one may boast."

What must happen if we are to be right with God? Our

hearts must be changed such that God's desires become our desires.
