5th Grade Weekly Newsletter ~ November 10th - 14th

Weekly Reminders:

Tuesday: Chapel/ Word Study Test/ Mileage Club

Wednesday: PE with Mr. Newton

Thursday: PE

Friday: History Test/ Art

Math, Science, & History:

- **Math:** We will be taking the ILEARN checkpoint #1 (attempt 2) on Tuesday. We will then spend the rest of the week working through our chapter on adding and subtracting fractions/mixed numbers.
- **Science:** We are going to start the next chapter over Natural Resources. We will be working on this chapter for the next couple of weeks. We will be taking the chapter test on Monday, November 24th.
- **History:** Having finished our study of the thirteen colonies, we will begin the study of the growing rift between the colonists and their king and their desire for independence.

Language Arts & Bible:

- **Reading:** We will finish the story about how smallpox was introduced to Native American communities and explore where the disease originally came from.
- **English:** This week we will review proper nouns and abbreviations.
- **Word Study:** Test over List #9 on Tuesday.
- **Jar of Books Challenge:** Please encourage your child to pace their reading, so they will finish at least one non-fiction book by the end of November.
- **Operation Christmas Child:** Thank you so much for the donations! We ended up with four full boxes! I was also able to print tracking labels, so we'll be able to see exactly where they go! Please join us in praying over these boxes that God uses our gift and His Gospel to work miracles in the lives of these children!
- **Bible:** The students will continue learning how harmony was restored between man and God due to the sacrificial love of Jesus Christ.
- **Memory Verse:** Test over Proverbs 3:7 on Friday.

Upcoming Events:

- Nov. 14th - Professional Development Day - Early Dismissal at 2:15
- Nov. 18th - Mileage Club Challenge - Theme: Pilgrims/ Native American/ Thanksgiving
- Nov. 26th - 28th - Thanksgiving Break

Learning is Fun!

We had a few brave souls willing to, with a little encouragement 😊, read their mystery narratives to the 5th and 6th grade classes! They did a wonderful job speaking and writing!
