Classroom News

Map Growth testing went well this past week and so did our first Mileage Club.

We will have Mileage Club again this week. If your child is not staying, please let them know and also a quick note to me or the office will help us know which children will stay and which need to head to carline. Thanks for your help.

This will be a shorter week, but we will still have a spelling list and a memory verse to work on. I will be gone on Thursday and Friday to visit a new granddaughter, but the students will be in good hands. Have a great week!
