

## What We Will Learn This Week

### Bible-

We will continue learning about the miracles of Jesus, and then move to learning about some of the people Jesus interacted with as we continue to study the life of Jesus.

### Language Arts-

We will finish our unit on consonant blends and then move on to learning digraphs. We will start with words that begin and end with 'sh', like ship and fish.

### Math-

After we finish our unit on numbers to 100, we will begin a unit on subtraction. We will also continue practicing counting sets of objects, practicing counting by tens, and counting on.

### Heritage Studies-

Rivers and lakes are a vital part of the ecosystem. We will learn about the importance of rivers and lakes and what we can do to take care of them. After our unit on lakes and rivers, we will move on to learning about the ocean.
