## Tuesday, January 20, 2026

---

Brrr! The Artic air has blown into central Indiana to cause a bone-jarring January. Rest assured that the students and staff have a warm building in which to work, study and play. I am thankful for our teachers that stand outside in this weather for carline. I hope that you express that appreciation, also.

Here are the frosty facts you need to know:

**January 27:** It is a Winter Wonderland theme for the Mileage Club Challenge next Tuesday. The first through sixth graders are encouraged to wear winter gear for the challenge. The students will be attempting to walk/run 3.5 miles to earn a mitten token.

**January 28-30:** All students are encouraged to participate in our Spirit Days during National School Choice week! Here's the plan:

### School Choice is the BEST Choice!

**B:**E: Dress up like what you want to BE when you grow up!

**S:** Dress in your favorite sports gear (jeans are allowed; no holes, no leggings, no pajamas)

**T:** Time-Traveler – dress in apparel from another decade or century

**February 5:** BTCS Annual Open House – This event is for prospective families to visit the school for the purpose of possible enrollment next year. Please spread the word to your friends, church family and neighbors.

**February 16:** The annual BTCS Read-a-Thon will begin. You will be hearing soon from your child's teacher with the details.

**February 20: Grandparents Day - We are expecting a grand time! Our theme follows the Winter Olympics with "Bring Home the Gold!"**

We will be warm and toasty as we pull off all of our fun winter activities.

Please try to stay comfortable this week!

Mrs. Newton
