

What We Will Learn This Week

Bible-

We are told to be thankful many times throughout the Bible. We will read some of these passages and discuss what it means to be thankful.

Language Arts-

We will review the letters we have learned by sight and sound, and review words in the word families we have learned.

Math-

We will finish our unit on calendars on Monday. On Tuesday, the students will participate in Thanksgiving-themed math activities.

Our counting goal for the week is 80.

Heritage Studies-

After a hard first year in the new land, approximately 52 pilgrims and 90 Native Americans celebrated the blessing of a bountiful harvest and new friends. We will learn about the first Thanksgiving and discuss Thanksgiving traditions.

Tales From the Classroom

November 24-28

Memory Verse

Psalm 69:30

I will praise the name of God with a song; I will magnify him with thanksgiving.

Psalm 100

Make a joyful noise to the Lord, all the earth! Serve the Lord with gladness! Come into his presence with singing! Know that the Lord, He is God. It is He who made us. We are his. We are his people and the sheep of his pasture. Enter his gates with Thanksgiving and his courts with praise. Give Thanks to him. Bless his name. For the Lord is good...

Homework

No homework this week
