This week our Star of the Week was Braxton. He is doing a great job in class, is a good helper and a good friend to his classmates. Congratulations Braxton!

#### ***Classroom News***

Hope you are keeping warm during this snowy, cold weekend. We only have four days until Christmas break, but these four days will be busy. The only homework we will have this week will be the RED folder and a math chapter review. We have one more math test to take before the end of this quarter. .

Thank you for all your help with e-learning day. I hope your child was able to complete all their assignments. Be sure they bring back the computer (in the bag) and the signed paper in the manilla folder. This will give them credit for the day.

There will be mileage club this week.

\*\*\*\*\*

In chapel last week, we learned about another name of God. He is Immanuel. Immanuel means God is with us. This was prophesied years before Jesus came as a baby.

We learned that because He is with us:

- We don't have to fear!
- We can be saved from sin!
- We have a merciful helper!
