Math

This week we will begin our next chapter over coordinate planes. We are only 4 weeks away from the end of the quarter which means 4 weeks away from IXL quarterly skills being due. Students need at least 25 skills on their VIP document to earn an A+ on this "test grade" for the quarter. This means we are also 4 weeks away from the VIP Breakfast!

Science

On Monday, we will begin our last Science chapter of the year over animal classification.

ELA

Reading: The students will continue in their Pilgrim's Progress novel. This week, they will begin planning and creating their own allegories to teach a character lesson to their first-grade reading buddies!
We will postpone our vocab test until a later date.

Jar of Books: The students have until April 30th to finish reading their chapter book and completing their main idea bookmark.

English: The students will continue learning about types of sentences and clauses this week and how to punctuate them with commas.

Word Study: No test this week. The students will begin studying #21-30 for their test on April 28th.

History

In history class, we will continue our study of Lewis and Clark, landmarks of Washington, DC, and Civil War events such as Sherman's March to the Sea and the assassination of President Lincoln.

Bible

We will return to our devotional book this week, focusing on the I Ams of Christ. This week, the students will learn about Jesus as the Good Shepherd.

Memory Verse: 1 Cor. 13:6 The students will be tested over vs. 4-6 for the test on Friday.
