Math

The VIP Breakfast is Tuesday at 7:00 am. Final IXL grades will be entered on Thursday after school. 25+ skills are needed for an A+ on this assignment. There will continue to be daily review papers to earn extra credit and warrior bucks. We will only be taking two more kick-it tests. After that the final kick-it grade will be entered.

Science

We will spend time on Tuesday reviewing for the animal classification test. Then, we will take the test. Students will be able to use their note packet on the test. We have been working on this for the last month.

ELA

Reading: We will go on an exciting journey across our school grounds, mirroring Christian's journey in Pilgrim's Progress. Because so much is going on this last week, we will do our journey rain or shine on Tuesday. The students will need a change of clothes (even shoes) in case they get soggy. My goal in this is to not only have fun, but to realize we are all on a spiritual journey with the only way into the "Celestial City" being by the way of the cross and putting our faith in Christ Jesus alone.

Jar of Books: The last day to turn in books for 50 Warrior Bucks is Wednesday!

Word Study: None

Bible

Please take time to study 1 Corinthians 13:1-8a & 13 ESV with your child in preparation to recite it on our Awards Night on Thursday.
