

# News From the Reef

January 20-24

## What we are exploring this week

### Bible

We will spend the next couple of weeks focusing on the miracles of Jesus. This week, we will focus on the calming of the sea and the feeding of the five thousand.

### Language Arts

We will continue decoding words with consonant blends this week, adding cl, sn, and sk. We will also be working on identifying the main idea in texts.

Advanced readers will continue to work on decoding words with two vowels.

### Math

Wednesday is the 100th day of school! We will celebrate by counting and completing activities using 100 objects. We will begin a unit on parts and wholes. I have some yummy activities to help us understand equal parts.

### Heritage Studies

Little House of the Prairie was one of my favorite books as a child. Visiting Laura's homestead in DeSmet has been one of my favorite memories. I was amazed at the miles and miles of open prairie. We will read about Laura as we learn about the prairie and the animals that live there. We will also read a fun story about an interesting present Lewis and Clark sent President Jefferson during their expedition from the prairie lands.

### Homework

Tuesday- Read "Up To The Top."

Thursday- Read "Clip Clop."

## Bible Verse and Question for the week

Matthew 8:27

And the men marveled, saying, "What sort of man is this, that even winds and sea obey him?"

We will review the Bible truths we have learned so far.

## Important Dates and Reminders

**January 20- MLK, no school**

**January 27- 31 National School Choice Week (details to come)**

**We will not have chapel on Tuesday. Girls do not need to wear chapel attire and may wear pants.**

**Please send in the pink parent response forms if you have not already done so.**
