

## What We Will Learn This Week

### Bible-

We will finish the life of David this week, learning about the promise that God would build a kingdom that would last forever through David's line. We will also learn about Solomon and the building of the temple.

### Language Arts-

We will review the letters Ff and Vv by sight and sound this week. Our high-frequency words for the week are this and are. We are still working on reading fluency, reading sentences as a sentence, and not four or five individual words.

### Math-

After a review of addition, we will begin a unit on calendars, focusing on identifying the days of the week.

Our counting goal for the week is 70.

### Heritage Studies-

Proverbs tells us to "Go to the ant." Have you ever watched ants work and ponder this verse? They are interesting to watch. We will be learning about these interesting insects along with ladybugs and caterpillars this week.

# Tales From the Classroom

November 17-21

## Memory Verse

Psalm 69:30

I will praise the name of God with a song; I will magnify him with thanksgiving.

## Homework

Monday- Read "Dot"

Tuesday- Read "In The Mud."

Thursday- Read "Naps."

## Important Events and Reminders

November 25- Kindergarten Presents, "The First Gives-Thanking" at 9:30

If your student is a pilgrim, please send in their costume for the play by Friday if you have not done so already.

November 26- 28- Thanksgiving Break

# Kindergarten

## Fun
