

What We Will Learn This Week

Bible-

We will continue to follow the life of Paul. Paul shared the gospel with anyone he could, even when he was imprisoned, shipwrecked on an island, or facing death.

Language Arts-

We will be learning various vowel digraphs and diphthongs for the next few weeks. This week, we will work on long and short _oo in words like book, cook, pool, and cool.

Math-

We will finish our review of addition and subtraction.

Heritage Studies-

We will finish up our unit on plants and gardening by learning about the life cycle of a sunflower and the purpose of pollinators.

We will be practicing every day for our kindergarten play. Please have your student rehearse their lines with you each night so they are confident.

Tales From the Classroom
